Dear Parents and Carers,

It has been another lovely week in school, with lots happening across our school community.

Harvest Mass

On Monday, we celebrated a beautiful harvest-themed Mass led by Father Jonathan. It was wonderful to have our whole school community together, including our school governors and members of our local parish community.

Our Year 6 children sang beautifully, helping to make the celebration a very special occasion. We reflected together on the key messages of harvest, particularly the importance of giving to others and supporting those in need.

Thank you to everyone who helped make the day such a lovely celebration.

Clubs Update

We are very fortunate this term to be able to offer a fantastic variety of clubs for our children. At the moment, these include:

- Girls' and boys' football
- Swimming
- Chess
- Ukulele
- Dance, which is starting soon

All clubs are available to book through **Arbor**.

Please make sure that your child is booked onto the club through Arbor before they attend. If a child is not booked onto a club, we will contact home to let you know that they will need to be collected at the end of the school day.

These clubs provide our children with a great opportunity to try something new, develop their interests and have fun with their friends.

If there is a particular club or activity that you think your child would enjoy, please email your suggestions to the school office. We are always happy to hear your ideas and will see if we can accommodate them.

These clubs are, of course, in addition to our usual after-school club.

Arbor

We are working hard to make sure that Arbor is as user-friendly as possible and that it provides families with all the information they need in one place.

If you are having any difficulties using Arbor or need a little support, please come along to the school office. We will always do our best to help.

Please could we also ask that you check that your child's **school dinner choices are up to date on Arbor**. If you need any help with this, please don't hesitate to come into the school office and we will be happy to support you.

Parents' Evening

A reminder that our Parents' Evenings will take place on **Wednesday 14th October and Wednesday 21st October**.

The booking link will follow shortly, so please keep an eye out for this.

We look forward to welcoming you into school and having the opportunity to talk about your child's progress and how they are getting on.

A Few Gentle Reminders

Bikes and scooters: We really encourage children to come to school by bike or scooter where possible. However, for everyone's safety, please remember that children should dismount before entering the school yard. We are working hard to keep the yard safe for everyone.

Earrings: A reminder that earrings are not permitted as part of our school uniform. If your child has recently had their ears pierced, please use plastic spacers where appropriate so that we can help reduce the risk of injury.

Harvest Donations

If you have any further donations for our harvest collection, please continue to bring them into school. We will be distributing these to local charities over the coming weeks, where they can support families and individuals in our local community.

Thank you, as always, for your continued support and generosity.

Mrs Yeoman
