NETBALL CLUB

REGISTRATION BOOKLET NET SET GO

2026

Beaconsfield Netball Club takes pride in fostering friendships and community through our love of netball. BNC acknowledges the Whadjuk people as the traditional custodians of Walyalup land, on which we are fortunate to play this great game.

We are so excited to get the ball rolling for the 2026 netball season! Whether it's your first year or you've been with us your whole netball career, we are so thankful you chose Beaconsfield Netball Club.

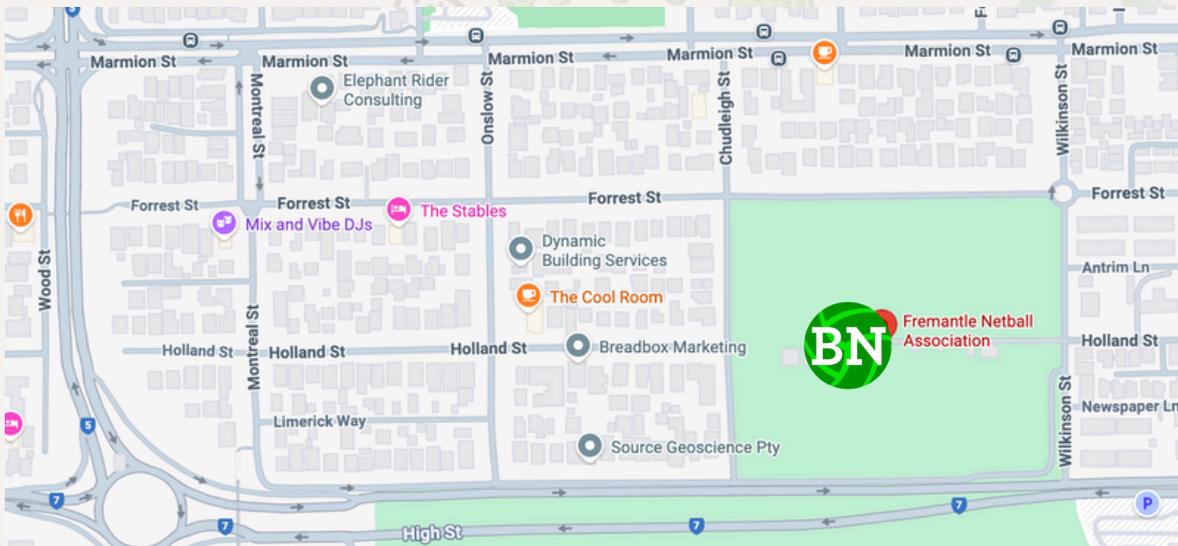

This pack contains important information you need to know for the upcoming season. Please take the time to review this information carefully. For the sake of ease, Beaconsfield Netball Club will be referred to as 'BNC', and Fremantle Netball Association will be referred to as 'FNA'.

General Information

Members and their families are reminded that they are obligated to act in accordance with the various BNC Codes of Conduct. Read the [Codes of Conduct here](#).

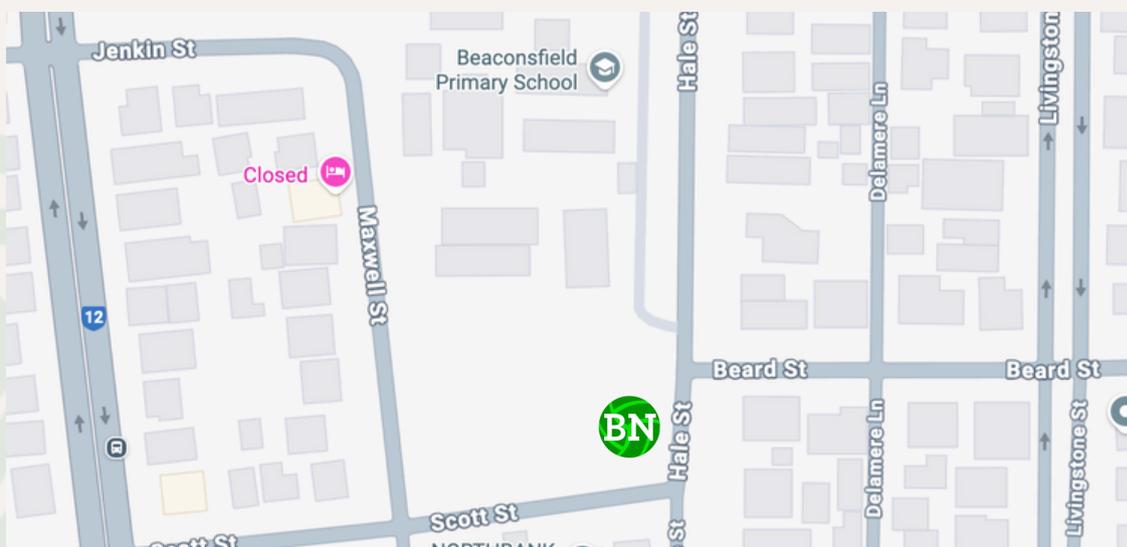

Where & When Do We Play?

All games during the season are played on Saturday at Fremantle Netball Association (Gibson Park), located on **High Street, Fremantle**.

Where & When Do We Train?

Registration Process

Who registers?

All Players, Coaches, Team Managers, Umpires and Volunteers are required to register. Only players are required to pay fees.

How to Register?

Registration for Set & Go, Junior, 18&U and Senior competitions need to be completed via PlayHQ (or NetballHQ, which is hosted by PlayHQ). Payments can only be made at the time of registration.

Players born 2019-2016 [register here](#)

Players born 2015 or earlier [register here](#)

Families considering a Kid Sport Voucher must apply PRIOR to registering with BNC, as you will require the code to be eligible for the discount. Refer to the [Kid Sport Info Pack](#) for details.

If you are worried about registration and uniform order deadlines in relation to your Kid Sport voucher, please email beacync@gmail.com

Fees

Fees must be paid in full at the time of registration via credit/debit card and/or Kid Sport Voucher.

Partial payments are available through PayPal's "Pay in 4" service on PlayHQ. Eligibility for this option is determined solely by PayPal.

Due to insurance requirements, players must be registered to participate in trials. If this creates any difficulty, please contact us at beacync@gmail.com

Trial and Grading Process

To align with Fremantle Netball Association (FNA) guidelines, BNC is transitioning to birth-year groupings and ability-based teams in 2026. This requires a fair trial and grading process for all 10&U Go and Junior players (compulsory unless otherwise notified).

Before team announcements

Coaches from the 2025 season provide feedback on players to help assess individual strengths.

Friendship flexibility

Players may nominate up to 3 friends via the PlayHQ registration form. Every reasonable effort will be made to place your child with at least one nominated friend.

Team finalisation

Assessors collaborate with coaches and the BNC committee to determine final team placements. Once teams are announced and graded, players will not be moved except in exceptional circumstances (e.g., serious injury requiring rebalancing).

Trial and Grading Process cont

Next steps

- Graded teams are submitted to FNA with BNC's recommended divisions.
- FNA finalises the grade/division for each team.
- Game fixtures are released on PlayHQ approximately 2–3 weeks before the season starts.

This process supports balanced, enjoyable teams and fair competition while prioritising player development and friendships.

Younger Players (Set & Go)

BNC participates in the Fremantle Netball Association's (FNA) Set & Go competitions, designed as the main entry-level program for younger players (typically ages 7–10). These fun, supportive games introduce netball skills and game knowledge in a modified format that builds confidence and enjoyment while allowing a bit of friendly competition.

Key features include:

- Played on grass courts
- Gender-neutral teams
- Age-appropriate modified rules (e.g., adjusted footwork, replayed balls, shorter matches, and skill-focused modifications)

Netball - A Winter Sport! Game Play

Netball is a winter sport, and, in general, rain alone will not cause a game to be cancelled. Cancellations due to severe weather are at the discretion of Fremantle Netball Association (FNA) and are made to prioritise the safety of all participants. Any game cancellations will be communicated to teams as soon as possible.

Forfeiting A Game

A late forfeit occurs when a team fails to field a team of 5 or more players after 12:00 pm on the Friday before the game.

Late forfeits often result from avoidable choices rather than genuine illness or unavoidable circumstances, and cause significant disruption to all involved.

To cover the direct costs incurred by the club (umpire fees and FNA penalties), a late forfeit fee of \$250 will be charged to the responsible family/families.

Early communication with your coach or team manager is essential to avoid this outcome wherever possible. We appreciate your cooperation in supporting a reliable and fair competition for everyone.

Uniforms

Playing Uniform Requirements

During games, players must wear the registered BNC uniform:

- Dress: \$61
- OR Playing Top: \$41 + choice of Skort: \$42

Players may wear plain black or white garments (e.g., singlet, t-shirt, long-sleeve top, shorts, leggings) underneath for warmth or comfort.

Non-Playing Merchandise

The following items are available for purchase:

- Hoodie: \$75
- Crewneck Jumper: \$68
- Rain Jacket: \$87
- Track Pants: \$80
- Socks & 7.50
- Beanie \$11
- Hat \$11

New Uniform Transition

BNC is introducing updated artwork for our uniforms!

2026 will be a transition year: players may continue wearing existing uniforms (purchased in 2025 or earlier) or choose the new design. The new-look uniform becomes mandatory in 2027.

Uniform Try-On Session

Date: Saturday 14 February 2026

Time: 2:00 pm – 4:00 pm

Location: Fremantle Netball Association (undercover area near Courts 8 and 10; bathrooms available for privacy)

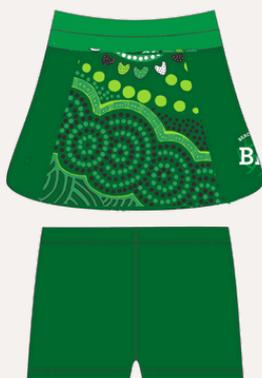

If you cannot attend, measure a similar garment at home and compare it against the size chart provided for each uniform item.

Purchasing Uniforms & Merchandise

All items are available via the [PlayHQ Shop](#).

Uniform orders close: Monday 9 March 2026 at 6:00 pm

Items will be distributed to players by team managers in late April.

Coaches

At BNC, every team is led by a generous volunteer coach, often a parent, guardian, or family member, who gives their time and passion to support our players.

Coaches are required to follow the Coaches Code of Conduct, upholding the highest standards of integrity, fairness, respect, and professionalism at all times.

Would you like to coach?

No matter your level of experience, whether you're new to netball or have years behind you, we warmly welcome volunteers. BNC provides all necessary equipment, full support, and covers the cost of coaching courses, resources, or app subscriptions you may need. We also aim to pair each team with a dedicated Manager to handle admin, communication, and equipment duties.

Not ready for your own team yet?

We love developing our enthusiastic teens and young players! If you (or your child aged 14+) would like to gain hands-on experience as an assistant coach under a supportive mentor, we'd love to hear from you.

Email Madison at beacync@gmail.com to express interest or discuss options.

Team Managers

BNC aims to assign a dedicated Team Manager to every team.

Team Managers are highly valued volunteers who play a vital role in supporting the Coach and contributing to the success of both their team and the entire club.

Key responsibilities include (but are not limited to):

- Forwarding club communications and reminders to parents/players
- Organising the roster for scoring, timing, and half-time oranges
- Assisting with general team logistics during the season

All Team Managers are added to the BNC "Coaches & Managers" WhatsApp group for real-time updates, discussions, and support.

Volunteering as a Team Manager is a rewarding way to get involved, build connections, and help make the season run smoothly for everyone.

Interested in becoming a Team Manager? Email Madison at beacync@gmail.com

WhatsApp Communications

BNC uses WhatsApp as the central place for all club announcements, season information, upcoming events, and reminders for the 2026 season.

This includes dedicated chat groups for:

- Each team
- Committee
- Coaches & Team Managers
- Umpires

Chat groups will be set up by the committee, team managers or coaches once teams are finalised and announced.

Team chat groups are intended for quick, relevant communication between coaches, team managers, players, and parents, always with a focus on positive support and encouragement.

Any inappropriate comments, personal behaviour remarks, or language that breaches our Code of Conduct will be removed immediately. Those involved will receive a reminder email about our policies.

BNC Committee

The Beaconsfield Netball Club committee is a dedicated team of volunteers who keep our community thriving by managing registrations, finances, uniforms, equipment, fundraising, umpiring, big-picture planning and club growth. Their behind-the-scenes work ensures every player experiences safe, inclusive, and joyful netball while building lasting friendships.

If you're keen to get involved, we'd love your help shaping our future! Email Madison at beacync@gmail.com to express interest in any role.

Fundraising and Sponsorship

BNC relies on fundraising and community support to keep registration fees affordable, fund end-of-season events (like awards, presentations, and wind-ups), and invest in club resources.

2026 Fundraising Activities

- Bunnings Sausage Sizzle
- Netball WA Hyundai Car Raffle

These events are fun, family-friendly ways to contribute while enjoying the community spirit. Updates and volunteer opportunities will be shared via WhatsApp and social media.

Sponsorship Opportunities

We welcome local businesses interested in sponsoring BNC! Sponsorship helps us grow sustainably and keeps our club accessible for all families. Benefits may include logo placement on future uniforms/merchandise, social media shoutouts, website features, or event mentions.

If you're a business owner or know someone who might be interested, please email Madison at beacync@gmail.com. Your support directly strengthens our club and the netball experience for our players!
