Amplifon has more than 25 years of making fully customized hearing solutions and offers these benefits for Medica members:

- Savings averaging 64% on hearing aids
- A two-year supply of batteries at no cost (160 cells for one hearing aid and 320 cells for two hearing aids), or a recharging station at no cost
- Follow-up care for one year at no cost
- 60-day risk-free trial period
- Three-year coverage for loss, repairs, or damage
- No-interest financing options for qualified buyers

If you've had a hearing test in the last six months, you can bring your audiogram results to an Amplifon provider to take advantage of the hearing aid discount.
