

WELCOME TO FLORIDITAS

Floriditas began with the simple idea, to create a place that was always open, where warmth and approachability meet good food, service, and hospitality. Good coffee was always non-negotiable.

Since opening in 2005, Flo's has quietly woven itself into Wellington's daily rhythm. We welcome locals, visitors, regulars, first-daters, long lunchers, and those "just popping in" who somehow stay for hours.

Morning through to dinner, we're here for all of it. Inspired by the grand cafés of Europe, this is our version: a little less formal, a little more Wellington, and quite possibly louder. And, dare we say, with better coffee.

Our menu follows the seasons as nature usually knows what it's doing. From asparagus, strawberries, elderflower, sorrel, the freshest eggs, damson plums, quince, feijoas, blood oranges, and locally caught fish... the list is endless.

Above all, we are proud to be part of this city we love—and very happy you're here too.

Welcome to our little grand café.

Please, make yourself at home.
