WARRANTY

Trailers sold by NT Trailers are covered by a structural warranty for a period of 12 months (3 months for commercial use). This warranty period is valid from the date of original purchase and covers all products against defective materials or workmanship (jockey wheel, bearings, tire, wheels, brake pads & wearables parts are excluded).

FINANCE

Take advantage of our flexible financing options tailored to your needs—whether for personal use or business. Simply select your preferred method of contact—email, call, or send us a message on Instagram—and our team will guide you to secure the best rates available. We're here to make your trailer purchase as smooth and affordable as possible.

TRAILER DESCRIPTION

The XL Combo Tradie Trailer is the ultimate solution for tradespeople seeking robust and versatile transport for their tools and equipment. Built with durability in mind, this trailer features spacious underfloor storage, lockable compartments, and heavy-duty components like a galvanized steel RHS frame and 15-inch 4WD rims. Designed to tackle the toughest jobs, the XL Combo Tradie Trailer keeps your gear secure, while the dual axle design and 4-wheel electric brakes ensure smooth and stable towing across any terrain.

If you're searching for an XL Combo Tradie Trailer for sale, this model comes packed with features that will enhance your work efficiency. With its 3900mm length and 2100mm width, there's more than enough space for all your essential tools and equipment, plus additional storage for a fridge or other gear. The internal 12-volt batteries and solar panel setup ensure you have the power you need for your devices and lighting, even in remote locations. Designed for both convenience and safety, this trailer includes a ready-to-operate handbrake and modern LED lighting to make early starts and late finishes easier.

Upgrade your workday with the XL Combo Tradie Trailer for sale today. Whether you're parking on uneven surfaces or needing access to 240V power outlets, this trailer has everything covered. With easy-to-clean surfaces, a lightweight yet sturdy build, and the ability to add equipment either by us or upon delivery, this trailer offers maximum flexibility. Invest in the ultimate XL Combo Tradie Trailer and experience efficiency, safety, and durability in every job you tackle!
