## Step 2: Create a project (part 2)

3 years ago · Updated

[Follow](#)

▼ For Headquarters, Supervisor, Sales Manager user access roles only  
View [User account types](#) for more info

### Part 2: Complete other information

#### Projects > (Project Name) > Overview > Edit > Pictures

1. After clicking **Create** at part 1, click (blue) **Edit** (Project Overview page)
2. Click **Pictures**, click **Add**, click **Upload** and add the relevant images accordingly
3. Click **Add** beside each image. The images added will appear at the gallery

#### Projects > (Project Name) > Overview > Edit > Unit Layouts

1. Click **Unit Layouts**, click **New** to complete unit information

#### Projects > (Project Name) > Overview > Edit > Documents

1. Click **Documents**, click **Add** to upload PDF files of more project information (brochures, awards, etc)

After step 5, head **Project Overview** by clicking on the back < button

[Help](#)

Follow on to the next step to Create Units.
