How do I delete a unit and/or layout?

3 years ago · Updated

[Follow](#)

▼ For Headquarters, Supervisor, Sales Manager user access roles only
View [User account types](#) for more info

Deleting Units

Projects > (Project Name) > Units > Available

1. Click **Projects** at the Showroom homepage
2. Click on the specific project you would like to delete the units from
3. Click **Units** at the top menu bar next to Overview
4. Click  on the right-hand side of the row

Conditions:

- Units with booking/buyer information cannot be deleted
- Units with booking history cannot be deleted

Deleting Unit Layout

Projects > (Project Name) > Overview (Scroll to Layouts) > View

1. Click **Projects** at the Showroom homepage
2. Click on the specific project you would like to delete the unit layout from

[Help](#)

3. At the Overview page, scroll to the Layouts section and click **View** on the specific layout you would like to delete
4. Click  which will be located next to the (blue) Edit button at the top right-hand corner if you have access

Conditions:

- The unit layout must not have any units attached to it. Delete all the units attached to the layout to proceed.
