How do I upload a project?

3 years ago · Updated

Follow

▼ For Headquarters, Supervisor, Sales Manager user access roles only
View [User account types](#) for more info

Uploading your projects to the MHub platform is a great way to share the information about current as well as future upcoming projects with your team. This includes the general description, marketing information, sales information as well as media.

You may follow the steps at [Getting Started](#) to create a project.
