How do I edit a Project?

3 years ago · Updated

Follow

▼ For Headquarters, Supervisor, Sales Manager user access roles only
View [User account types](#) for more info

Projects > (Project Name) > Edit

1. Click **Projects** at the Showroom homepage
2. Click on the specific project you would like to edit
3. Click **Edit** at the top right-hand side

View steps 1 and 2 at [Getting Started](#) for more information about editing a project.
