Allow multiple Print Forms selection during Booking

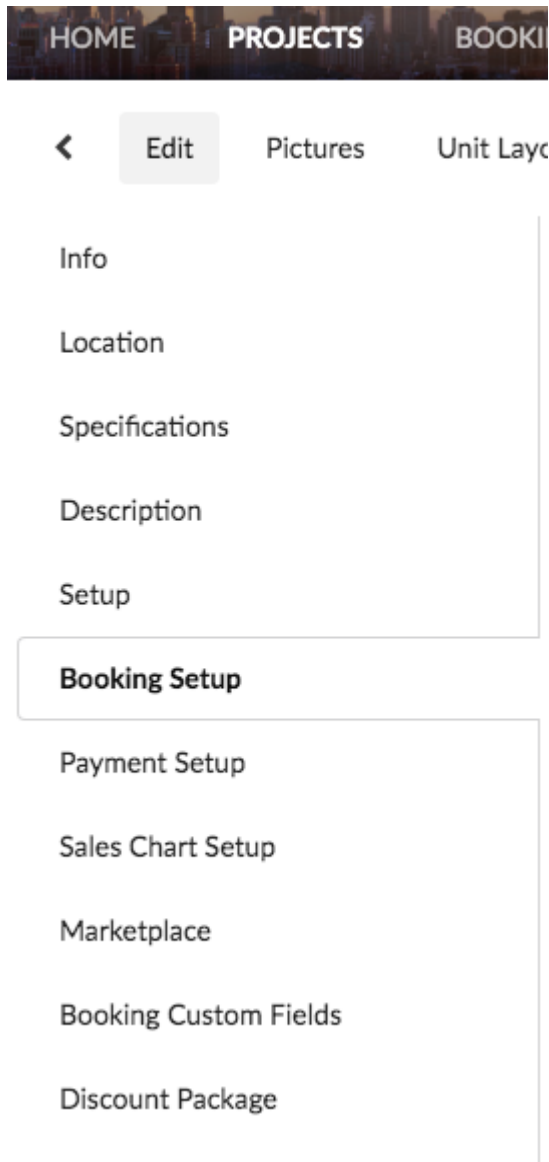

3 years ago · Updated

[Follow](#)

With this feature, you are able to split your forms and select to print

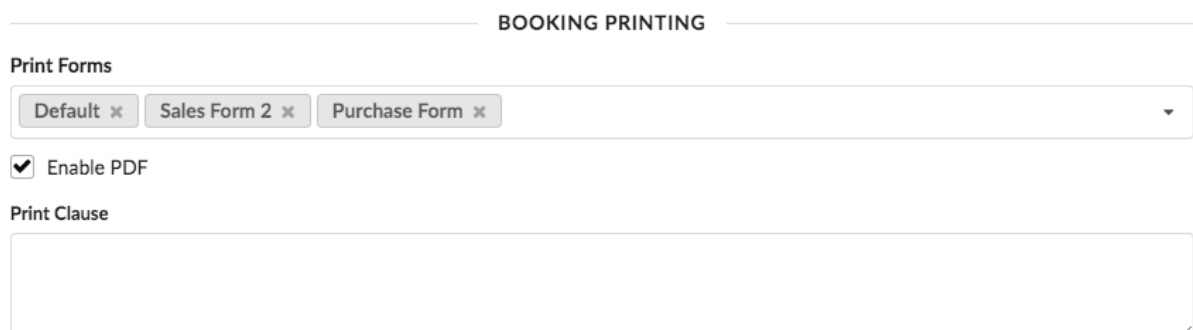

Get in touch with Community Team to request for booking form customization

1. In Project > Edit , go to Booking Setup

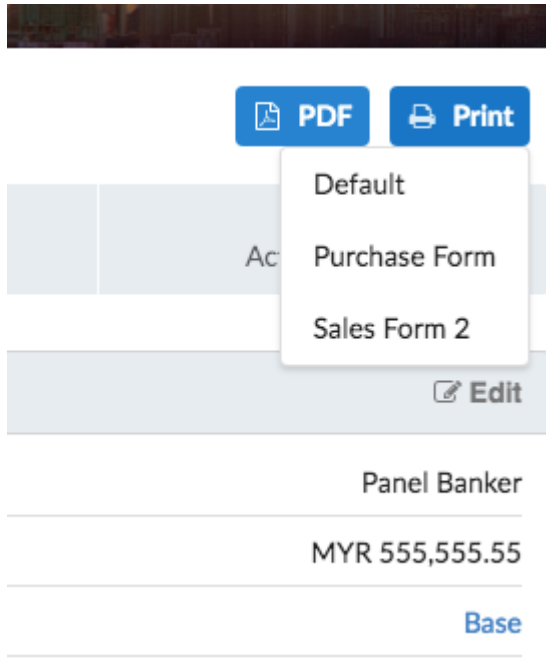

2. Scroll down and look for BOOKING PRINTING

3. Refer to Print Forms, choose the form to add. Click Save.

4. To print, go to booking info, click Print and a dropdown of forms will appear
