

Job Title:	DZ Driver	Position Type:	Permanent Full-Time
Department/Group:	Transportation	Reports to:	Operations Manager

Job Description

Job Purpose:

The DZ Driver is responsible for completing short haul deliveries in and around the Greater Sudbury area. Hauling includes but is not limited to waste rock, sand, and other aggregates.

Job Duties:

- Operate triaxle dump truck to transport aggregates, and construction materials
- Maintain a clean and tidy work environment and equipment, both interior and exterior
- Perform daily pre-trip and post-trip inspections
- Ensure safe loading, hauling, and dumping procedures
- Maintain accurate delivery logs and paperwork
- Follow all MTO regulations and company safety policies
- Maintain accurate log in compliance with current laws and regulations.
- Communicate effectively with dispatch and site supervisors
- Comply with Z'gamok Construction LP's policies and procedures.
- Perform other related duties as required.

Qualifications:

- Valid class DZ License; clean drivers abstract
- Minimum 2-3 years of experience
- Site specific training based on contractual needs

Job Requirements:

- Basic measurement and calculation skills
- Ability to follow safe working procedures.
- Excellent observation skills and strong attention to detail.
- Good analytical and problem-solving skills.
- Effective communication skills (both verbal and written)
- Ability to work both independently with little supervision, and as part of a team.

Working Conditions:

- Sitting for long periods of time
- Making repetitive motions
- Working in inclement weather
