## **WATER SWABBING NOTICE**

**To: Espaniel St, Pumphouse Rd, New Subdivision Rd Residents**

**From: Water & Sanitation Department.**

**Start Date: Tuesday, September 8th, 2026.**

**Subject: Watermain Swabbing Program.**

**Please be advised!** The Water Department will be working in conjunction with WaterSome to complete a swabbing maintenance program to improve the overall health of the water distribution system. Espaniel St, Pumphouse Rd, and New Subdivision Rd residents may experience temporary water outages on **Tuesday, September 8<sup>h</sup> between the hours of 9:00am and 4:00pm.**

To safely complete this work, residents within the identified area are asked to:

- Refrain from water usage between the hours of 9:00 a.m. and 4:00 p.m. so debris does not enter the residence.
- Fill your bathtubs and provision enough water to flush toilets.
- Store enough drinking water for household use prior to the scheduled work.
- Complete laundry and other high water usage activities ahead of time.
- Turn your water line off underneath your sink and toilet.

This memo serves as your notice to prepare for temporary water service interruptions and pressure fluctuations while the swabbing program is underway.

The swabbing process is an important part of maintaining and improving the quality of the community drinking water system.

We appreciate your patience and cooperation during this maintenance work.

**NOTE: Sagamok will not be responsible for plugged service lines inside the home should you not follow the instructions of this notice. Homeowners will be responsible for the fees to unplug your service at a starting rate of \$650.00.**

If you have any questions or concerns, please contact the Water & Sanitation Department at 705-863-2874 or 705-923-4271. Miigwetch.
