

# Cookie Policy / Manage Cookies

Last updated: December 2025

At **SIGNAL FLARE DIGITAL SDN. BHD.** ("we", "our", or "us"), we use cookies and similar technologies on our website to help it run smoothly, understand visitor interactions, and improve the overall experience. This Cookie Policy explains what cookies are, how we use them, and how you can manage your preferences.

---

## 1. What Are Cookies?

Cookies are small text files stored on your device (computer, phone, or tablet) when you visit a website. They help websites remember your actions and preferences — such as language, device type, or pages visited — so you don't have to re-enter them each time you return.

---

## 2. Types of Cookies We Use

We use a few types of cookies for different purposes:

- **Essential Cookies:** These are necessary for our website to function properly, such as remembering your cookie preferences.
- **Analytics & Performance Cookies:** These help us understand how visitors use our site — for example, which pages are most viewed, how users navigate, and where visitors come from. This may include **heat maps and click tracking** to analyse user interaction and improve our website layout.
- **Functionality Cookies:** These remember your preferences and settings to provide a smoother experience when revisiting our site.

We do not use advertising or tracking cookies for targeted marketing.

### 3. Third-Party Cookies

We may use third-party services (such as website analytics or email newsletter tools) that set their own cookies. These help us understand engagement and improve our communication. All third-party providers we use are required to process data responsibly and securely.

---

### 4. Managing Cookies

When you first visit our website, you'll see a cookie notice giving you the option to accept or manage cookies. You can also manage or delete cookies at any time through your browser settings. Please note that disabling certain cookies may affect how the website functions.

Here are links to manage cookies in common browsers:
