Section 5.6: Waiver

The City's failure to exercise any function or right hereby reserved to it, or its exercising any function or right in a particular way, shall not be deemed a waiver of this right to exercise such function or right, nor preclude the City from exercising the same in some other way not in conflict with the express provisions of this Agreement.

Section 5.7: Emergencies

If, in the sole discretion of the City Manager, it is determined that a civil emergency condition exists, including but not limited to riots, civil disorders, hurricane conditions or other catastrophes, the provisions of this Agreement may be suspended by the City Manager during the time of the declared emergency, except for monetary provisions.

Section 5.8: Job Duties

Within five (5) days after the act or occurrence which gives rise to the grievance, or the unit member knew or should have known of such act or occurrence, whichever first occurs, the unit member may meet to discuss the grievance with the unit member's immediate supervisor in an attempt to resolve same.

Step 1: If the grievance is not settled in the informal procedure, noted above, or if the grievant decides to proceed with a formal grievance, the grievance must be reduced to writing and signed by the unit member, within seven (7) days after the occurrence which gave rise to the grievance, or the unit member knew or should have known of such act or occurrence, and presented to the unit member's lieutenant.

The written grievance must include:

- a. A statement of grievance and a summary of the facts on which the grievance is based.

The City Manager, DCM or HRD shall respond, in writing, within seven (7) days after the meeting.

The unit member grievant shall be entitled to be present at any meeting held under Step 2 or Step 3.
2. When bringing a grievance in its name, the Union may file at either Step 2 or Step 3 depending on the circumstances surrounding the grievance.
3. When denying a grievance, in whole or in part, management's response shall contain the specific reason(s) for denial. Generic denials such as, "the grievance has no merit" or "the grievance is denied," shall not be sufficient. All grievance responses originating at Steps 2 and 3, shall be forwarded to the grievant and the Union.
4. All grievances for disciplinary matters involving unpaid suspension, demotion or termination may be appealed through the grievance process.

Section 6.3: Arbitration

If the grievance is not resolved through above steps, the grievance may be submitted to binding arbitration by the Union. Arbitration proceedings must be initiated by serving of a written request for arbitration by the Union within twenty (20) days after the City Manager's response. Submission to the arbitrator shall be based exclusively on the written grievance as submitted in Steps 1, 2 and 3 of the grievance procedure.

The arbitrator selected shall decide the dispute by using the preponderance of evidence standard and such decision shall be final and binding on the parties. The expenses of the arbitrator shall be borne equally by the parties; and, each party shall be responsible for its own attorneys' fees, any court reporting services it wishes to use, and the wages of unit members, whether they be witnesses, potential witnesses, representatives, or grievant, it utilizes in any arbitration proceeding. However, it is agreed, that should unit members be on duty during the procedure, the unit members shall suffer no loss of pay or benefits.

The jurisdiction of the arbitrator is limited and confined to determining whether there has been a violation of the express terms of this Agreement. The arbitrator shall in no way alter, amend, or modify the terms of this Agreement. The time limits may be extended in writing by mutual consent of the parties.

A. Within twenty (20) calendar days from receipt of the notice of the intent to invoke arbitration, the Union shall request a list of seven (7) arbitrators from the Federal Mediation and Conciliation Service, all of whom must reside in the State of Florida. The Union shall supply the City with a copy of the list of arbitrators. The Union and the City will alternately eliminate one at a time from said list of names of persons until only one remains, and that person will be the arbitrator. The City and the Union will alternate in the right to first strike names in successive arbitrations.

B. As promptly as possible after the arbitrator has been selected, he should conduct a hearing between the parties and consider the grievance. The decision of the arbitrator will be served upon the unit member(s) aggrieved, the City and the Union in

writing. It shall be the obligation of the arbitrator to make his best effort to rule within twenty-one (21) business days after the hearing.

Section 6.4: Grievances by Non-Union Member

When the Union refuses to process a grievance for a unit member because of the unit member's non-membership in the Union, the unit member shall have the right to process a grievance under this Agreement, but cannot require arbitration of the grievance unless the law requires otherwise, in which event, the unit member shall have all the rights and assume all the burdens, limitations and obligations, including financial obligations, of the Union under this Article and any other Article that may apply to his grievance. The unit member will not be entitled to any other grievance process.

D. Except for termination, no discipline shall be served until the unit member has exhausted his administrative appeals as set forth in this Article.

Section 6.6: Time Off/Pay

Step 1 of the grievance procedure shall be carried out during the unit member's work hours at a time and place designated by the Chief based on operational needs, and the unit member shall lose no pay. The City shall determine when Steps 2, and 3 shall be processed, within the time frames established herein, and if the Step or Steps, including Arbitration, are processed during their scheduled working hours, neither the Union Representatives nor the grievant shall lose pay. Unit member witnesses, other than grievant, whom the City Manager may at his option choose to interview shall lose no pay if interviewed during their working hours, and if interviewed after or before such hours, shall be paid for such time as if they were performing other work for the City. Otherwise, the City shall not be responsible to pay any unit member representative, officer or agent of the Union for any time spent processing grievance matters, but will allow one such person plus the grievant per grievance reasonable time off without pay for said activities upon reasonable prior notice if in management's opinion work requirements will allow such absence.

Section 6.7: Discipline Dispute Resolution Process - (DDRP)

In cases involving alleged policy violations in an administrative investigation, which may lead to discipline, a unit member may request one discipline dispute resolution meeting (DDRM) at any time prior to the member providing a statement to the internal affairs investigator. The meeting shall be held with the member's Lieutenant, Human Resources Director and include the member, member's representative and/or counsel.

The purpose of the meeting will be to discuss potential discipline and/or administrative charges to determine if a consensus resolution can be reached on the appropriate charge(s) and discipline, if any.

If the parties reach a consensus, that consensus shall be reduced to writing by the Lieutenant and implemented. The investigation and grievance process shall be considered as complete. Should the parties not agree on a resolution, the matter will

progress as if no meeting had been held. Nothing discussed at the meeting shall be held against the employee if a resolution is not implemented.

The PBA shall be notified of any final resolution in all such cases handled by the DDRP. If the PBA is not represented at any such DDRM, then the decision will not be precedent setting.

Section 6.8: Verbal Warnings

Verbal warnings shall not be documented in Blue Team or any other public record documents.

Section 6.9: Vehicle Crashes

The parties agree that vehicle crash discipline will follow the safety matrix as long as there are no other policy violations associated with the crash. If a policy violation is present, the event will follow the discipline structure not the safety matrix.

The parties agree that a single crash (event) must be either assigned to the discipline structure or the safety matrix but cannot be applied to both.
