2. What personal data we collect

Through this website, we only process personal data that you voluntarily provide via the contact form.

This may include the following information:

- name
- email address
- the message or enquiry you send to us

3. Purpose of processing

We use the data you provide via the contact form solely for the following purposes:

- responding to questions or requests
- communicating in response to your message
- carrying out actions necessary to handle your request or enquiry

We do not use this data for marketing purposes and we do not send newsletters via this website.

4. Reservations

Reservations are not processed via this website.

When you make a reservation through the website, you will be redirected to an external reservation system. The processing of personal data within that system is governed by the privacy policy of the provider of the reservation system.

5. Data retention

We do not retain your personal data longer than necessary for the purpose for which it was collected or as long as we are legally required to do so.

6. Cookies

This website uses functional cookies that are necessary for the technical operation of the website. These cookies are placed by the platform on which the website is built (Webflow) and ensure that the website functions properly.

No analytical, marketing, or tracking cookies are used on this website.

7. Sharing of data

We do not share personal data collected through the website with third parties unless this is necessary for the technical operation of the website or if we are legally required to do so.

8. Your rights

You have the right to access your personal data, request correction of incorrect data, request deletion of your data, and object to the processing of your data.

You may contact us using the contact details provided on this website.

9. Changes

We reserve the right to amend this privacy policy. The most recent version is always available on this website.
