This sponsorship enables us to expand our reach and enhance the services we provide to the broader community.

\$10,000 Empower Healing

With a \$10,000 donation, empower the healing of grieving children and their families by covering comprehensive grief services for a month. This includes all group activities and meals at our ten group nights, monthly family care calls, volunteer support, and therapeutic resources, providing a comprehensive support system for everyone involved.

\$5,000 Connections Catalyst

By becoming a Connections Catalyst with a \$5,000 donation, you fund activities for our 10 monthly group nights, serving 125 people weekly. Your support provides materials and trained facilitators for these sessions, giving grieving children and families the resources they need to heal.

\$2,500 Food for the Soul

Your donation of \$2,500 as a Food for the Soul Monthly Sponsor provides dinner for all 10 of our monthly group nights. Your donation ensures that children and families can gather for a nourishing, family-style meal, creating a warm and supportive environment as they navigate their grief journeys. These dinners foster connection and provide a comforting space for healing and togetherness.
