December 25

Merry Christmas to All!

Plano Police Association

CHRISTMAS COPS

42nd Anniversary

Serving local families in need since 1984, Plano Police employees and volunteers collect and distribute toys, coats and bicycles each holiday season. Families are referred through Plano Police employees and PISD staff who have personally encountered them through their professional duties.

Your donation of a new, unwrapped gift helps bring comfort and joy to children and families in our community during the holiday season.

About Christmas Cops

42ND ANNIVERSARY

Established by Plano Police Officers in 1984, the Christmas Cops Program is a charitable program of the Plano Police Association. Operated by its members and volunteers and made possible through community donations, the program serves local families during the holiday season.

Each year, Christmas Cops provides food cards to hundreds of families and brings holiday joy to more than a thousand children by distributing toys, bicycles, and coats.

Throughout the season, volunteers organize community-wide toy drives, collect and sort donated items, and assemble personalized gifts for each family. Just before Christmas, Christmas Cops host a special distribution day where families receive gifts directly, helping make the holiday season brighter for children and families in need.

How We Help

Families are referred by Plano Police employees and Plano ISD staff who become aware of temporary hardships affecting children. Every family is carefully reviewed and verified before being accepted into the program to ensure donations are directed to those with the greatest need.

Christmas Cops serves families experiencing unexpected financial hardship, such as the loss of employment, illness, injury, or becoming the victim of a crime. While our program is not intended to provide long-term assistance, it offers timely support that helps make Christmas possible for families who might otherwise go without. Your donation of a new, unwrapped gift helps bring comfort and joy to children and families in our community during the holiday season.
