"Moves Like Jagger"

Just shoot for the stars, If it feels right
Then aim for my heart, If you feel like
And take me away, And make it OK
I swear I'll behave
You wanted to know, so we waited
I put on a show, now we're jaded
You say I'm a kid, My ego is big
I don't even care, And it goes like this

Take me by the hand and I'll know you
Dance until we're done and I'll show you
All the moves like Jagger
I've got them moves like Jagger
I've got them moves like Jagger
I don't need to try to convince you
Look into my eyes and I'll show you
With them moves like Jagger
I've got them moves like Jagger
I've got them moves like Jagger

Maybe it's hard, when you feel like
It's broken and scarred, nothing feels right
But when you're with me, I'll make you believe
That I've got the key
Oh, so get in the car, we can ride it
Wherever you want, get inside it
And you wanna steer, but I'm shifting gear
I'll take it from here , And it goes like this

Take me by the hand and I'll know you
Dance until we're done and I'll show you
All the moves like Jagger
I've got them moves like Jagger
I've got them moves like Jagger
I don't need to try to convince you
Look into my eyes and I'll show you
With them moves like Jagger
I've got them moves like Jagger
I've got them moves like Jagger

And it goes like this

Take me by the hand and I'll know you
Dance until we’re done and I'll show you
All the moves like Jagger
I've got them moves like Jagger
I've got them moves like Jagger
I don't need to try to convince you
Look into my eyes and I'll show you
With them moves like Jagger
I've got them moves like Jagger
I've got them moves like Jagger
