“...It wasn’t just a rainbow of races, ethnicities and cultures, although that certainly was an important part of it. BOOM fest also was a mix of very young children, elderly people, young adults and middle-aged guys like me. Most of all though, it was a mix of ideas. Ideas about art, music, politics, different cultural perspectives, social justice, and community activism. It was Charlotte.”

BOOM! The word is only four letters long, but nothing about it is small. It wants to be seen and spoken in capital letters, to reverberate and to leave an impression.

BOOM is a movement, born from a belief in the explosive power of art to unite and strengthen our community. We’ve gathered a unique coalition of artists, volunteers, businesses and neighborhood organizations who truly represent the Queen City. We come together and transform the way art and culture are created and shared. It will manifest as the annual BOOM Festival on May 1-3 at University City Lakefront, the BOOM Echoes series and other year-round events.

BOOM! A spectacular mix of philanthropic opportunity and marketing potential.

BOOM is a showcase of the beauty that transpires when creative minds and diverse backgrounds come together as one. It is exemplary of the value that the arts bring to local communities, and of the creation of a diverse collective that is united for the sake of progress. To take part in BOOM and the BOOM Festival is to join in a coalition of vibrant, bright, and inspirational thought leaders who value the impact that the local performing arts and visual arts scene has on our beloved Queen City.

Speaking in numbers, BOOM's diversity is unparalleled. Over 50% of artists are artists of color, and our performers range in age from 7 years to over 70. That level of inclusivity is also reflected in the audience, making it perhaps the

Now more than ever we need to support art in our community and motivate creators to come to Charlotte and to stay in Charlotte. We’ve established a creative and accessible event for local and national artists, **and we need YOU to light the fuse!**

only large-scale art event that truly reflects Charlotte’s richness of diversity.

In the years prior to the pandemic, BOOM experienced exponential growth. Thanks to BOOM’s connections to Open Streets 704, neighborhood organizations, local venues and small businesses, BOOM grew exponentially from 50 programs reaching 5,000 people to 140 programs reaching upward of 25,000 people ~ a major feat for contemporary arts events.

With BOOM Festival 2026, we hope to continue our growth in order to serve the needs of our fast growing and changing city/region. To succeed we need your help.
