

Moving from primary or junior school to secondary school in September 2027

Information for parents/carers

Is your child in Year 6 at a primary or junior school?

If so, they will be moving to secondary school in September 2027. This leaflet explains what you must do if you want to ensure that your child has a place in Year 7 at a secondary school/academy in September 2027.

What do I need to do?

1. Please read the “Transfer to secondary school in Westmorland and Furness – September 2027” booklet carefully before making an application.

This booklet gives you all the detailed information you need to help you apply for a secondary school place. It is available on the council's website at westmorlandandfurness.gov.uk or, if you need a hard copy, by contacting the School Admissions and Appeals Team.

2. Complete the online application form. This can be found on the county council's website at **within the Local Authority** and will be available from 2 September 2026. The form asks you to express a preference for three **different** schools. More information about secondary schools within the local authority area of Westmorland and Furness can be found in the booklet.

**The closing date to apply for a
Year 7 Secondary place is
31 October 2026**

The advantages of applying online are:

- Your application will be acknowledged by email.
- We will send an email to you to tell you which school your child has been offered on the morning of 1 March 2027, **before** the letters are sent out to those who applied on a paper form.

If you are unable to apply online you could ask your current school or your local library for help, or contact the School Admissions and Appeals Team and we will send a paper copy of the form to you. Completed forms should be returned to the School Admissions and Appeals Team or to your current school

Types of schools and their policies

There are different types of school: community, voluntary controlled, voluntary aided, foundation, free schools and academies. Westmorland and Furness Council coordinates admissions for September Year 7 places at all of these schools.

Each school has an **admissions policy**. This states the number of pupils that will be admitted to each school. It also includes the criteria that will be used to decide which pupils should be admitted if the school is oversubscribed. **Admissions policies are not the same for all schools.** The Local Authority (LA) decides the admissions policy for community and voluntary controlled schools. For other schools the governing body/academy trust decides the admissions policy and arrangements.

Copies of these policies can be found on the county council's website, or the school's website, and summaries can be found in the booklet.

The LA is not responsible for allocation decisions made by voluntary aided, foundation and free schools and academies.

Frequently asked questions

Where can I find out more detailed information about the schools I am considering?

A list of schools is available on the council's website. Each school may produce a prospectus which may help you to decide your preferences. Most schools also hold open evenings. You may want to contact your preferred schools about these events.

Prospectuses are usually available on schools' own websites and the Ofsted Reports for all schools are available at [ofsted.gov.uk](https://www.ofsted.gov.uk). You can also find out information about an individual school's performance at [education.gov.uk/schools/performance](https://www.education.gov.uk/schools/performance).

I am not sure which is my catchment school. How do I find out?

If you need to find out which catchment area you live in, please contact the School Admissions and Appeals Team who will be able to tell you (contact details below). Please note that we cannot guarantee a place at a school even if you live within the catchment area. **Please see the booklet for more information about catchment areas.**

What do I need to do if my child has special educational needs?

If your child has an Educational Health Care Plan the school application and placement process will be dealt with by the Special Education Needs Team for your area. **Please see the 'further help and advice' section of the booklet for more information.**

What about Home to School Transport?

A summary of the Home to School Transport policy is included in the booklet. **Please note the Home to School Transport policy is changing from September 2027.** If home to school transport is a factor in deciding on your preferred schools, you should give this very careful consideration.

Where can I find out more about Free School Meals?

If your child is transferring to secondary school (year 7) and you are in receipt of qualifying benefits, you may be eligible for Free School Meals. If you already receive Free School Meals, you do not need to reapply each year. **Please Note: The eligibility rules are changing from September 2026.** To check the criteria and apply please visit [westmorlandandfurness.gov.uk](https://www.westmorlandandfurness.gov.uk)

Where can I find more information about School Admissions?

Westmorland and Furness Council's School Admissions and Appeals Team can be contacted on **0300 303 8144** or by emailing school.admissions@westmorlandandfurness.gov.uk. You can find a copy of the booklet "**Transfer to secondary school in Westmorland and Furness – September 2027**" and other useful information at: [westmorlandandfurness.gov.uk](https://www.westmorlandandfurness.gov.uk).

Remember
the closing date:
31 October 2026

Important information:

- **Get your application in on time.** If it is received after **31 October 2026**, it will not be considered with the applications received before the deadline unless there are exceptional circumstances that you confirm with us by 4 January 2027. It will be dealt with **after** all applications that were made on time have been allocated places. This could severely reduce the chances of you securing a place at one of your preference schools. More information about late applications can be found in the booklet.
- **Put at least three different preferences of school.** Try to make sure they are realistic. If you only name one school, or name schools that could potentially be oversubscribed or are a long way from where you live, and you cannot be allocated a place at any of these schools, the LA will allocate a place at either your catchment school or, if this is oversubscribed, the nearest school with a place available. This will only happen **AFTER** all other applications have been processed.
- If a school that you are naming as a preference requires additional information, such as a copy of a baptismal certificate, make sure this is sent to the school by **31 October 2026**.
