TALK TO THE EXPERT - SPEAK WITH YOUR PHARMACIST

Before you leave the pharmacy, CHECK:

- The patient name on the label is correct;
- The medication matches the description on the label;
- The name of the medicine and what it does;
- How and when to take the medication, for how long, and what to do if you miss a dose;
- Possible side effects and what you should do if they occur;
- Whether the medication will work safely with other medicines or supplements; and
- What foods, drinks, or activities should be avoided while taking the medicine.

KNOW YOUR RIGHTS

California law requires a pharmacist to speak with you upon your request, every time you get a new prescription, and every time you get a new prescription dosage form, strength, or written directions.

AB You have the right to ask for and receive from any pharmacy prescription drug labels in 12-point font.

Interpreter services are available to you upon request at no cost.

*This pharmacy must provide any medicine or device legally prescribed for you, unless:
You are unable to pay the cost of the drug or device; or the pharmacist determines doing so would be against the law or potentially harmful to the patient's health. If a medicine or device is not immediately available, the pharmacy will work with you to help you get your medicine or device in a timely manner. You may ask this pharmacy for information on drug pricing and use of generic drugs.
