Open Recalls

Recall #: 67C | 2018-2026 VF Engine Compartment Fire Recall Date: 2025 Oct 30

Recall Description

Some 2018-2026MY Ram ProMaster vehicles built for fleet sale may have been assembled with a cooling fan module which is susceptible to premature bearing wear and inadequate fuse protection. Certain extremely demanding fleet duty cycles can cause premature bearing wear resulting in high current draw combined with inadequate fuse protection on the 400W fan circuit which may lead to a vehicle fire.

Remedy

FCA US will conduct a voluntary safety recall on all affected vehicles to replace the cooling fan module and a fuse, and provide an owner's manual addendum and label for the Power Distribution Center (PDC).

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact RAM or visit [Ram's website](https://www.mopar.com/en-ca/my-vehicle/recalls/search.html). (https://www.mopar.com/en-ca/my-vehicle/recalls/search.html)

Stolen Vehicle Check

✓ This vehicle is not actively declared stolen.

CARFAX Canada No Reported Accidents™ Badge

The CARFAX Canada No Reported Accidents™ badge is based on the damage records and/or branding information reported to CARFAX Canada. The badge is available for personal vehicles that have only been registered in Canada, and were not, at the time this report was generated, declared stolen.

This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. CARFAX Canada and its source data providers receive data and information from external sources believed to be reliable, but no responsibility is assumed by CARFAX Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers further expressly disclaim all warranties, express or implied, including any warranties of timeliness, accuracy, merchantability, merchantable quality or fitness for a particular purpose regarding this report or its contents. Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car. By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in CARFAX Canada's Conditions of Use and any CARFAX Canada End User Licence Agreements as each may be amended from time to time by CARFAX Canada.
