

ECOARMOR - Folio

Folio Max for iPad 10.9" (10th/11th Gen)

The EcoArmor Folio Max for iPad 10.9" (10th/11th Gen) delivers military-grade drop protection with reinforced corners, making it an ideal choice for Business, Government, and Education environments. It features a clear back for easy asset tag identification and optional logo customization. The folio cover folds into two stable positions for typing and viewing, and includes versatile pen storage for an Apple Pencil, EcoArmor Pencil, or similar stylus. The durable, scratch-resistant materials are easy to clean, making the case suitable for everyday intensive use. The packaging is made from FSC-certified materials, underlining our commitment to sustainability, while strong magnets keep the cover securely in place and support automatic sleep/wake functionality.

ECOARMOR
