\* "Statuses" include order state-related messages (e.g., Cancellations, Acknowledgements, Rejections, Modifications, etc.) Not available on Drop Copy Ports for Binary Protocol Market Maker Quoting Ports or Binary Protocol Purge Ports. Not available if "Drop Copy By Clearing No(s)" is selected for "Drop Copy By."

\*\*\*"Unsolicited Restatement Messages" reference receipt of unsolicited Replaced/Repriced (FIX) and Unsolicited Modify Acknowledgement (Binary Protocol Order Entry) messages. Only applicable if "Statuses" is selected under "Messages to Drop."

All services and products requested on this form are governed by the terms in the User Agreement and the Exchange Rules.

If you do not receive a written confirmation from IEX within 3 business days that your request has been received and processed, please contact Market Operations at 646.343.2310 or [OptionsMktOps@iextrading.com](mailto:OptionsMktOps@iextrading.com). Please refer to the IEX Fee Schedule posted at [www.iex.io](http://www.iex.io) or the latest price list.
