Re: Update to Equities Trading Halt Rules

As described in [Trading Alert #2026-009](#), effective August 10, 2026, IEX Exchange will make operative certain previously approved amendments to its equities trading halt rules (Rules 11.271 and 11.280), as set forth in [SR-IEX-2025-37](#). IEX makes these changes in coordination with the Securities Information Processors and other exchanges to establish common criteria and procedures for halting and resuming trading in equity securities when regulatory or operational issues arise. Additionally, pursuant to [SR-IEX-2026-25](#), IEX Exchange amended its equities trading halt rules to clarify that, as with its current practice, IEX Exchange will not cancel outstanding orders in a security subject to a trading halt, but that Members and Sponsored Participants may cancel their orders during a halt.
