

EDSTART KIDS 4 KIDS AWARDS

Do you know a child who...

**Gives it their very best in PE and sport,
but might not often see the limelight?**

Nominate them now and give them a chance to shine!

As a teacher, you know the boost a child can receive from the recognition in an award. Kids 4 Kids isn't about performance...

It's about trying hard and looking out for others.

Winning children will celebrate in style with some Edstart sports goodies!

They'll also be entered into Edstart's exciting regional end of year award, going up against other schools to win exciting prizes from our partners:

**Kids can also nominate
their classmates too!**

Please give out their nomination forms in class.

edstart.org.uk
