Year 1 - Intro to Striking & Fielding

Unit of Work

Pupils will be taught...

Overall Learning Outcomes (Endpoints)

Children can:

- **Bounce a ball and catch it on its way up**
- **Show when a ball is at the top of its flight**
- **Hold the variety of bats safely and can contact a ball**
- **Judge the path of a ball that is bouncing towards them**
- **Get their body in line with the ball early and stop the travelling ball from going past them**
- **Make contact/strike a ball that has been thrown towards them**
- **Move their body depending on where the ball is travelling and contact the ball**
- **Use the skills taught and put into practice in a modified game**

Learning Objective

Learning Outcomes

1 To judge the flight of an object and know when it is at the highest point

Children can:

- Track an object and catch it on its way up
- Know how a ball travels in the air
- Meet the ball at various heights

2 To make contact with a ball with their hand and a small piece of equipment

Children can:

- Hold the variety of equipment safely and can make contact with a ball/object
- Feed a ball to them and be able to contact it
- Track the ball and show good hand/eye coordination

3 To strike a ball that has been bounced towards them

Children can:

- Judge the path of a ball that is bouncing towards them
- Tell where the ball is travelling and be able to contact the ball with their racket/bat
- Strike the ball in different directions

4 To retrieve and gather a ball that is rolled/bouncing towards them

Children can:

- Follow the flight/path of the ball and can collect it off the floor
- Collect the ball and throw back towards a target under control
- Get their body in line with the ball

5 To retrieve and gather a ball that is rolled/bouncing away from them

Children can:

- Follow the path of the ball and can retrieve it
- Collect the ball and throw back towards a target under control
- Get behind the path of the ball as it travels away from them

6 To make contact and strike a ball that is thrown towards them

Children can:

- Now make contact/strike a ball that has been thrown towards them
- Move their body depending on where the ball is travelling to contact the ball

Assessment Mark

Requirements

Working Towards

- Understand basic rules
- Retain key information
- Use fundamental movements (Jog, jump, hop, balance, skip, side to side, change of direction)

On Target

- Can throw and catch individually
- Makes contact with the ball when batting more often than not
- Uses the correct throwing technique, depending on throwing distance (Underarm short distance, overarm long distance)
