

# Year 2 - Intro to Striking & Fielding Knowledge Organiser

PLAYING  
**EDSTART**

## EDSTART KNOW

- I can name some striking and fielding skills such as hitting, catching, and stopping the ball.
- I can talk about how to watch the ball carefully as it moves towards me.
- I can say why I need to move my body behind the ball to stay in control.

## EDSTART GO

- I can judge the path of a ball that is bouncing towards me.
- I can move my body early to get in line with the ball.
- I can stop a travelling ball safely so it doesn't go past me.

## EDSTART SHOW

- I can show control and good positioning when fielding a ball.
- I can work with others to pass, stop, and return the ball safely.
- I can explain how I used my body and eyes to control the ball.

## Key Vocabulary

**strike, field, catch,  
stop, control, bounce,  
position, watch**

## What do we know about striking & fielding?

Pupils will consolidate and develop the range and consistency of their skills in a variety of striking and fielding games and activities

Striking & fielding games consist of cricket and rounders
