User Conference | SYDNEY

VISION

Making global supply chains safer and more sustainable by enabling trusted client-supplier partnerships.

MISSION

Become the leading global platform on which clients can manage supply chain risks and suppliers can prove the value of their business.

Avetta Summit

User Conference | SYDNEY

ONE AVETTA

Build collaboration that spans the boundaries between departments, regions, and hierarchy levels.

COMMUNITY

Make a lasting impact on our community through meaningful services and actions.

CUSTOMER DELIGHT

Reach beyond achieving customer satisfaction and exceed customer expectations.

LEADERSHIP

Demonstrate exceptional leadership skills and potential through communication, creativity, and inspiration.

SIMPLY AVETTA

Provide critical and innovative thinking around new services, products, and process improvements.
