

# PROJECT ENTRY QUESTIONNAIRE

Official CINTREXO Submission Form

**FILLABLE PDF FORM****Purpose**

This form is not a consulting request. It is a system entry protocol. Incomplete or non-compliant submissions are not processed.

## 1. Applicant and project identification

**Project name****Company / Applicant****Contact person****Email****Country / City****Website or product link****Project description - one short paragraph**

## 2. Basic requirements

Confirm only if the statement is already true. Do not mark future intentions.

- Physical product or working prototype exists
- Market hypothesis is clearly formulated
- Pilot test can be executed within 90 days
- Operational readiness for market validation exists

**Important**

Concepts without a real product or working prototype are not accepted.

Official CINTREXO Submission Form

FILLABLE PDF FORM

### 3. What the market must validate

Market hypothesis - one or two precise sentences

Select the consumer behaviour that would prove the hypothesis.

- |  |  |
|--|--|
| <input type="checkbox"/> First purchase                  | <input type="checkbox"/> Repeat purchase         |
| <input type="checkbox"/> Subscription or recurring order | <input type="checkbox"/> Price acceptance        |
| <input type="checkbox"/> Frequency of use                | <input type="checkbox"/> Other measurable action |

### 4. Market, format and pilot readiness

Target market / city

Channel

Unit / packaging

Consumer price range

Estimated pilot units

Estimated pilot budget

Shelf-life, logistics or compliance constraints

### 5. Evidence available

- |  |   |
|--|---|
| <input type="checkbox"/> Photo of real product             | <input type="checkbox"/> Packaging as it exists now |
| <input type="checkbox"/> Real sales receipt / order record | <input type="checkbox"/> Repeat purchase data       |
| <input type="checkbox"/> Simple price list                 | <input type="checkbox"/> Other factual evidence     |

## PROJECT ENTRY QUESTIONNAIRE

Official CINTREXO Submission Form

FILLABLE PDF FORM

### 6. STOP condition defined by the applicant

What result would invalidate the market hypothesis?

### 7. System acknowledgement

- I acknowledge that CINTREXO is a system, not a service.
- I acknowledge that STOP is a valid and final outcome at the current stage.
- I acknowledge that submission does not imply access, support or approval.
- I acknowledge that CINTREXO does not provide consulting support for preparing submissions.

### 8. Final declaration

Name of submitting entity

Submitted by / role

Date

Digital signature / typed name

#### Submission

Download this form, complete it, save it as PDF and submit it together with the required project documents to [connect@cintrexo.com](mailto:connect@cintrexo.com).
