

Let's take a journey back to the way things used to be. To heritage Indian comfort food expertly prepared with fire and smoke.

There is something deeply primal and hugely satisfying about cooking with fire and smoke. Something elemental that talks to shared human experiences buried deep in the memory. At Khai Khai that magic comes alive and transports you to another place and time.

IT'S NOT FOOD. IT'S HERITAGE.
KHAİ KHAİ. LET'S EAT.
