SCI Assessed

Helical Anchors Inc.

Helical Pile systems

Design Resistance and Performance

The SCI has assessed the technical data and design process for the Helical Anchors Inc. steel helical pile systems. The assessment has been performed considering design, installation and testing of the helical pile systems.

The full scope of the products and data covered by the assessment are provided in the SCI Report - RT2055 v02 (August 2025).

To confirm validity, please visit the SCI Certification and Assessment website at www.sci-assessed.com.
