# TICS AND TOURETTE ACROSS THE GLOBE

Tics and Tourette across the Globe (TTAG) is an umbrella organisation representing a community of Tic and Tourette Syndrome (TS) associations collaborating at an international level to improve conditions for people touched by Tics and TS.

## OUR MISSION

**To promote equality, participation and opportunities for people with Tics and TS through collaboration between advocates, clinicians, educators and scientists around the world, to benefit those touched by Tics and TS.**

---

## OUR VISION

**A world in which people with Tics and TS are understood, accepted, respected, empowered and included in all contexts of life.**
