

## 14<sup>th</sup> European Conference on Tourette Syndrome & tic disorders

Lausanne, Switzerland 9-11 June 2022

Behavioural therapy for **advanced** participants  
**Thursday, 9 June 2022, 14:00-17:00** | Workshop

### *Exciting advances in Group treatment for Tics and Tourette syndrome*

In this advanced behaviour therapy workshop, we will have a smorgasbord of topics relating to treatment delivered in group format, a now well supported modality of treatment. We have invited experts from several specialist clinics in Europe to give presentations followed by a panel discussion with the speakers and organisers of the session

#### 14.00 – 15.10

- **Judith Nissen, Denmark:** Group training in youth with tics
- **Eve Mc Allister & Nimmi Parikh, England:** Delivery of group interventions for children and young people with tics online – tips, tricks and pitfalls.
- **Annet Heijerman-Holtgreffe & Cara Verdellen, The Netherlands:** TYT & adult group

#### Break-20'

(programme continues below)

# European Society for the Study of Tourette Syndrome
