

Minutes 12th board meeting ESSTS

TTAG

- arranging for a Zoom meeting soon.

Conference programme

- Behavioural session: Nanette will ask the "BT ladies".

Only in English.

Make them available as independent events for local professionals.

Regarding the overlap with TTAG: shortening sessions is not ideal either. Nanette will ask both behavioural therapists and TTAG if they could shorten and overlap a bit. We should minimize the overlap but there will be overlap still.

- K Black said yes for opening session. 18h -> 19h15. 45 min for his talk, 30 min for questions.

Awards and presentation of winner: 30 min

- ADHD session: all morning yes, so that we get sponsors; Tammy will ask someone for sleep's session (Paul first, and second option: Samuel Cortese); Nanette will ask Pieter Hoekstra about ENIGMA); CBT for ADHD and tics: BT people -> Nanette will ask.

- We should make a preliminary programme so that we get sponsors.

- Focus on "pharmacotherapy" ADHD"/change the title of the session to attract sponsors

- Posters: on stage presentations (we will have to be more selective) and walk rounds.

- First poster session: 45 min

- Two oral presentations sessions: 60 min for 12 presentations total.

- Free access (social event attendees) to planetarium show.

- Session TS pathology: only two speakers will be ok. Juan B said yes. Nanette will ask Christos G.

- On Friday: first 15 min for TTAG, then 45 min for session underrepresented countries (India and Greece).

- Neurodiversity session: we can ask Seonaid her opinion. Anna will ask her first if she is interested.

- We should ask someone who has a direct contact with ADHD companies (Natalia will ask Renata, Tammy asks Osman)

Hotels

- First option: less comfortable but breakfast together and second option 'Earos': more comfortable but breakfast in a nearby café-Peggy Sure. Is it possible to kind of book the café?

Ok to collaborate with Frontiers' Issue on tic disorders.

Tara's offer: should we do a meeting to discuss the point and technicalities? Natalia will reply to her and send a doodle.

Rates

- for virtual: should be lower than physical attendance, 50% is reasonable.
