

## **Minutes 14<sup>th</sup> ESSTS meeting 11 November 2024**

### **Conference programme**

- ND session 'Neurodiversity open discussion': we should incorporate a few polls during the session ("do you use the term neurodiversity in your clinic?" "what do you think of?" ...). Tammy will ask TTAG to chair the session. Paul will talk for 30 minutes. Should we make a panel? Andreas should moderate. Let's think about the different polls later.

### **Enigma talk:**

- We should reach out to Perry about her title. Nanette will write to her. 45 min talk + meeting 45 min.

**ADHD session:** let's drop the pathophysiology session.

**MR travel grants:** let's decide on 4 grants to offer. If they win, they should actually come to the meeting (not attend only virtual meeting). The person applying should be a 2025 ESSTS member.

MRTG winners: they should wait for 5 years to apply again.

### **BT workshops**

- Let's keep 70e per workshop, and 120e for package.

### **Virtual format**

- let's officially announce it!

- will the recordings be made available online after the conference? Yes. The attendees should have access to the recordings (for only 4 weeks), and only the members should have access to the slides.

### **Sponsors**

- Sleep company (Natalia): waiting for their answer.
- Noema (approached by Andreas): Kirsten will contact them
- Others to contact

### **Next meeting in 2026**

- Reykjavik? We should reach out to them and ask if they can offer something not too expensive. Anna will search for the email. It could be expensive...
- Portugal or Vienna (Marla might be there)?
- Poland? But not easily reachable.

### **TS-school online 5 Feb**

- We should start advertising for it: copy and taste from last year? yes

### **Podcasts**

- Next ones: TS and women (contraception, pregnancy) with Dr Anna Castriato (December 2024), and median nerve stimulation with Dr Morera (January 2025).

**BT ESSTS consultations**

- Anna will create events. Let's offer reduced rates for members. Let's stick with what Tara suggests.

Anna will create a calendar on the website with all our events.
