

Minutes 15th meeting

Giula's survey: she will send us the link.

Christmas newsletter: push about the online TS-school + renewal for memberships; should we ask if someone wants to host? people can present an application!

Sponsors

- Great news, we have a 66.5K support!
- Aurora: should we name them as a sponsor whereas they gave < Bronze: ok
- MR has confirmed her intention to support us (4 grants)

TTAG meeting :

- 10am – 1pm then lunch break then again 2 pm- 3 pm
- End at 5 pm, then opening ceremony 6 pm
- Overlap is mandatory... impossible to do otherwise.
- ESSTS invite their speakers, not TTAG... we should make that clear later on.

TS-school

- Should we use the same recordings?
- Should we remove the links of the TS-school? it's free for ESSTS members
- Q and A for assessment and comorbidities and Q and A after treatment
- Should we suggest bringing cases
- We should record again the same slides

2 webinars released, and two podcasts this week.

Next meeting: end of January

28th January 6 pm London: introduction the BT ladies -> Christelle or Natalia

Virtual format of the conference: all materials will have to be downloaded, meaning no one comes with an USB/laptop
