

## Minutes 16th meeting

### Baylen show/TAA

- Leave Mered's letter as it is.
- Move on with the letter to Brain.
- Send invitation to sign joint statement to ESSTS members (active members anytime between 2023-2025) Send email and include intro message by Kirsten.
- Consider reaching out to the Guardian / other journalists?
- Kirsten will send back the letter to the mailing list at the end.

### Emalex

- They asked for a short slot to present their data: feasible only on Friday.
- Add a 15' coffee break before C. Ganos talk, and reduce the Q&A by 15'?
- Include their talk in a parallel session during the lunch break? (Extra room to be booked by Emalex)
- "Therapeutics" topic is already included in the TS school programme
- Ask them to elaborate on their intention to offer a "Best of" prize: ask them if it is possible, to offer 1 + 1 for PP and OP?

### Neurodiversity

- Ask them to elaborate on their intention to offer a "Best of" prize: ask them if it is possible, to offer 1 + 1 for PP and OP?
- Paul Stevenson main speaker=30' slot.
- Agnieszka Malek OK for panellist
- Ask Osman Malik to participate/coordinate discussion?

### TS-school programme

- Comorbidities session by Christelle 30'
- Followed by ADHD (Sara Bahadori) session 15'

### Various

- Absolutely OK for Tamara's Varese registration to be transferred to the Athens meeting
- Address the TTAG board's question -about the possibility of including an "advisor" or similar, position as a part of/adjacent to, the ESSTS board. And vice versa!
