Diamond-level exclusives

- **Pre-Opening Ceremony Reception**

One-hour (5:00-6:00PM) inaugural event immediately preceding the Opening Ceremony –Keynote, Professor Mary Robertson Award, Travel Grant Awards– on Wednesday, 17 June 2026.

The Advanced Behavioural Therapy Workshop and the Tics and Tourette Around the Globe-patient association meeting both end at 5PM.

This is a prestigious slot serving as an additional formal gateway to the entire three-day scientific meeting.

Event Space: Garden Hall and adjacent Union Garden (Space rental included in the package. Catering service provided by the Grand Union Hotel, pricing upon request)

- **Social Event Presence, Ljubljana Castle-Estates Halls**

Dedicated space at the official conference social event on 18 June 2026, providing continued visibility and networking opportunities within this relaxed collegial setting beyond the formal scientific programme.

European Society for the Study of Tourette Syndrome

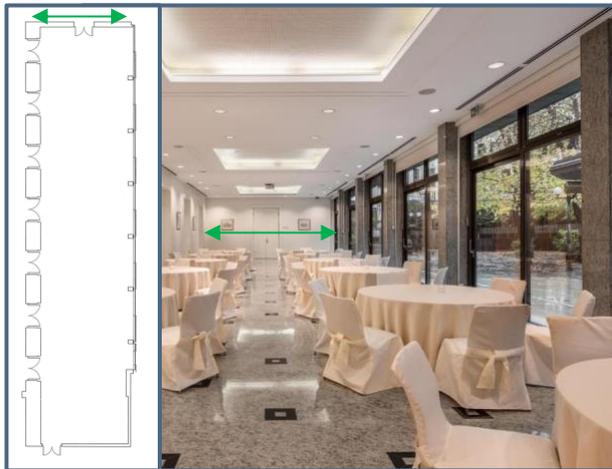

- **TS-school, 5th edition (view main page and Athens 2025 edition), hybrid format**

A half-day training programme for clinicians, psychologists, and healthcare professionals pursuing specialised expertise in Tourette Syndrome clinical practice. This independent event is held on the day preceding the meeting (Tuesday), at the same venue, and is available both to conference attendees and local professionals.

Reserved visibility with dedicated space either within the lecture hall (White Hall), or break room (Garden Hall). TBC, space contingent on attendance.
