

Hannover

12th European Conference on Tourette Syndrome and Tic Disorders

Annual Meeting of the European Society for the Study
of Tourette Syndrome

Hannover, GERMANY | May 15-17, 2019

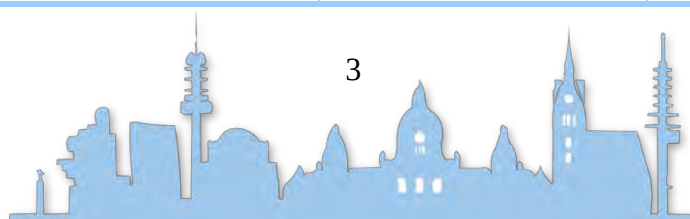

PROGRAMME

May 15	
10:00-15:30	EMTICS session (open to all interested parties) Organizers: -Pieter Hoekstra -Davide Martino
	“Studio” room
10:00-10:20	Update of database, explanation of codebook, explanation of shared folder, overview of paper proposals, how to submit a paper, explanation of co authorships
10:20-10:40	Andrea Dietrich & Pieter Hoekstra
10:40-11:00	Common data analytic strategies and considerations Andrea Dietrich & Pieter Hoekstra
11:00-11:30	Progress of papers of Martina Haas & colleagues (initial findings, progress, difficulties, common issues)
11:30-11:50	Progress of genetic papers (initial findings, progress, difficulties, common issues)
11:50-12:10	Fotis Tsetsos
12:10-13:00	Progress of papers of Jaana Schnell & colleagues (initial findings, progress, difficulties, common issues)
13:00-13:20	Progress of papers of Zsanett Tarnok & colleagues (initial findings, progress, difficulties, common issues)
13:20-13:40	
13:40-14:00	Lunch break
14:00-14:20	Progress of papers of Tami Steinberg & Noa Benaroya & colleagues (initial findings, progress, difficulties, common issues)
14:20-14:40	Progress of papers of Matan Nahon & colleagues (initial findings, progress, difficulties, common issues)
14:40-15:00	Progress of papers of Roberta Creti & colleagues (initial findings, progress, difficulties, common issues)
15:00-15:20	

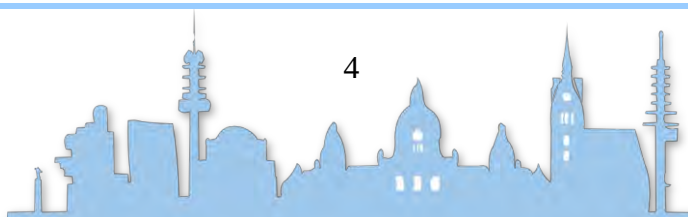

15:20-15:30	Progress of papers of Thaira Openneer and Andrea Dietrich & colleagues (initial findings, progress, difficulties, common issues) Progress of papers of Ute-Christiane Meier & colleagues (initial findings, progress, difficulties, common issues) Progress of papers of Davide Martino & Anette Schrag & colleagues (initial findings, progress, difficulties, common issues) Progress of papers of Francesco Cardona & colleagues (initial findings, progress, difficulties, common issues) Wrap-up and plans for follow-up		
13:00-16:00	Behavioural therapy for tics: Work in progress (English)	HRT workshop (German language)	Patient Advocacy session
	13:00-13:20 Psycho-education -Necessary elements in psycho-education, Zsanett Tárnok 13:20-14:20 Improving tic treatment and quality of life -Inhibitory learning and how to apply intensive ERP-20 mins, Cara Verdellen -Tackle your Tics -20 mins, Annet Heijerman -ACT-based behavioral therapy for tics-20 mins, Sharon Zimmerman	Speakers: -Katrin Woitecki -Ewgeni Jakubovski	Organizer: Laura Beljaars

	14:20-14:40 Coffee break 14:40-15:40 Additional and online interventions-Function based interventions - back to basics -20 mins, Jolande van de Griendt -Online coaching-20 mins, Paula Viefhaus iCBiT-20 mins, Katja Kunert 15:40-16:00 Case discussion and questions		
16:00-17:00	ESSTS guidelines session (open to all interested parties) - Assessment: Danielle Cath - Behavioural therapy: Cara Verdellen - Pharmacotherapy: Veit Roessner - DBS: Kirsten Müller-Vahl		
17:00-19:00	Opening ceremony and keynote lectures -A few words from the organizers & ESSTS chair -Guitar solo by Michael Seubert -Lectures: Nature and control of explosive outbursts - an update Julie Leclerc (Chair: Andreas Hartmann) Interoception, social stimulation and inhibition: Interacting brain mechanisms influencing the expression of tics Hugo Critchley (Chair: Kirsten Müller-Vahl)		
19:00	Welcome reception at the Crowne Plaza Hotel		

“Studio” room

May 16			
Time	Session	Topics	Speaker
Pack your running shoes! 7:00 Morning run at Eilenriede forest. (600m from Crowne Plaza Hotel)			
9:00-9:45	Lecture	Genetics of TS for non-geneticists	Christel Depienne (Chair: A. Hartmann)
9:45-10:30	Lecture	Pathophysiology of TS for non-pathophysiologists	Yulia Worbe (Chair: Christos Ganos)
10:30-11:15	Lecture	Refractory TS	Davide Martino (Chair: Renata Rizzo)
11:15-11:35	Coffee break		
11:35-12:30	EMTICS lecture	Is exposure to streptococci related to onset or exacerbations of tics? Results from the EMTICS study Clinical precursors of tic onset. An EMTICS study The Premonitory Urge for Tics Scale in a large sample of children and adolescents: Psychometric properties in a developmental context. An EMTICS study YGTSS: a critical look at the psychometric quality of the gold standard based on EMTICS data	Pieter Hoekstra Andrea Dietrich Thaira Openneer Martina Haas

		Association between hypovitaminosis D and comorbid attention-deficit hyperactivity-disorder in patients with chronic tic-disorders: A large pan-European cross-sectional study Developmental milestones in children with tics Discussion	Ute Meier Tamar Steinberg
12:30-13:15	Guided e-poster tours (parallel)	Poster tours 1 - 5	For Authors: see abstracts
13:15-14:00	Lunch break		
14:00-15:00	Keynote lecture	New AAN guidelines for the treatment of TS	Tamara Pringsheim (Chair: Davide Martino)
15:00-16:00	Lecture	How to dismantle the circle of tension and tics?	Julie Leclerc (Chair: Yulia Worbe)
16:00-16:30	Coffee break	+ discussion with poster (screens) authors	
16:30-18:00	Oral presentations from submitted abstracts	Impulsivity in Tourette disorder: neuronal correlates and medications effects Characteristics of different clinical trajectories of tics during adolescence: a prospective follow-up study Executive functioning in children with Tourette syndrome and attention-deficit/hyperactivity disorder: cross-disorder or unique impairments?	Cyril Atkinson-Clement Camilla Groth Andrea Dietrich

		Resting state functional connectivity differences in pediatric patients with Tourette Syndrome and Obsessive-Compulsive Disorder Genome-wide association study of Tourette investigates the genetic determinants of Tourette and implicates neuronal and synaptic processes Alexithymia and interoception in children with Tourette syndrome: A clinical audit	Sankalp Tikoo Fotis Tsetsos Maria Hadji-Michael (Chairs: D. Cath, K. Müller-Vahl)
18:00-19:00	GENERAL ASSEMBLY MEETING		
From 20:00	Congress DINNER at Hugo's		

May 17			
Time	Session	Topics	Speaker
Pack your running shoes! 7:00 Morning run at Eilenriede forest. (600m from Crowne Plaza Hotel) 			
9:00-9:45	Keynote lecture	Functional movement disorders	Selma Aybeck (Chair: A. Hartmann)

9:45-11:00	Podium discussion including discussion with the audience	How to differentiate tics and functional tic-like movements Introduction with patient videos	Moderator: Kirsten Müller-Vahl Discussants: D. Cath Ch. Ganos T. Hedderly S. Aybeck J. Stern R. Rizzo
	Oral presentation from submitted abstracts	Tic-like attacks and functional neurological movements: CBT with external attention focusing	Sally Robinson
11:00-11:30	Coffee break	+ discussion with poster (screens) authors	
11:30-12:30	Controversy: Pro/con Discussion with the audience followed by a poll	Is it time to rename Tourette's?  We are interested in your opinion, please vote here!	Moderator: Andrea Cavanna Pro: Kirsten Müller-Vahl Con: Andreas Hartmann Discussants: Sven Rieger Laura Beljaars
	Oral presentation from submitted abstracts	Tic Disorders revisited: Introduction of the term "Tic Spectrum Disorders"	Ewgeni Jakubovski
12:30-13:30	Lunch break		
13:30-14:30	Lecture	Best papers of last year! -> Where is the field headed?	Kevin Black

14:30-16:00	Oral presentations from submitted abstracts	Cognitive tics in Gilles de la Tourette syndrome - phenomenology and clinical associations The impact of a cognitive-physiological therapy on motor planning and execution in Tourette syndrome patients Tackle your Tics: feasibility of a brief, intensive group-based exposure therapy programme for children with tic disorders Randomized double-blind controlled trial of thalamic versus GPi stimulation in patients with Gilles de la Tourette Syndrome Pain and tics: a daily experience – is there more opportunity in the multi-disciplinary team for physiotherapy? Missed diagnosis of ADHD in children referred to a Tic Disorder Clinic	Anna Dunalska Simon Morand-Beaulieu A.P. Heijerman Kirsten Müller-Vahl Natalia Szejko Seonaid Anderson Idura N.Hisham (Chairs: Danielle Cath, Kirsten Müller-Vahl)
16:00-16:30	Coffee break		
16:30-17:30	CLINICAL ROUNDS		Co-Chairs: Tammy Hedderly, Jeremy Stern
17:30	PRIZES & AWARDS - CLOSING CEREMONY
