

COASTAL CHURCH

2025 ANNUAL REPORT

Shaun Brown, Senior Pastor

Coastal Church I cannot thank you enough for another great year of love and generous support to this local church. Your love for the Lord Jesus Christ and your generous financial sacrifices continues to allow Coastal Church to move forward and make incredible

Gospel impacts locally and around the world. Your giving helps to fulfill the mission Christ has given us to Develop as authentic followers of Jesus Christ. You will see many highlights in this annual report of how your giving helped us continue to grow through the ministry of Coastal Church. Never lose sight that these are real people being changed by the gospel of Jesus Christ. All for the Glory of God. With your generosity we are continuing to move forward with purchasing the Pottery Building for our Williamsburg campus to have a permanent home in their community and we will begin to build-out this

building in cash with the hope of taking occupancy in the next 12 months. We are also using the Coastal Endowment for the first time to help us purchase this location. Thank you for making the Endowment part of your sacrificial giving. As we pull our resources together for the good of the gospel; we continue to see God do amazing things through the ministry of Coastal Church. This is just a small taste of what each of you have helped us accomplish together through the ministry of Coastal Church. Thank you for your continued sacrificial support of Coastal Church.

BATTERY PARK NEWS

2025 Annual Report

Nathan Webb, Lead Pastor

2025 was an incredible year of God’s grace for Coastal Church Battery Park. It was a joy to welcome people into the family of God, celebrating at least two individuals who received salvation, six others who were baptized, and

many new members. We are grateful to see God growing our church family in authentic community. Through marriage, co-ed, men’s, and women’s groups, many have grown deeper in friendship and their personal walks with Christ. We had the privilege of continuing to serve students at Carrollton Elementary School. In August, we donated school supplies and backpacks. In December, we provided and personally delivered coats, Christmas gifts, and food to over thirty children. Several outreach events were well attended, but

the most effective way God brought people to worship Him was through personal invitation. This year, there has been more passion and involvement for sharing the gospel and inviting people to church. Of the new guests, many have quickly gotten involved and are moving toward membership. For these things and so many more, we are grateful for the work God is doing and are excited to continue glorifying Him in 2026.

BETHANY CAMPUS NEWS

2025 Annual Report

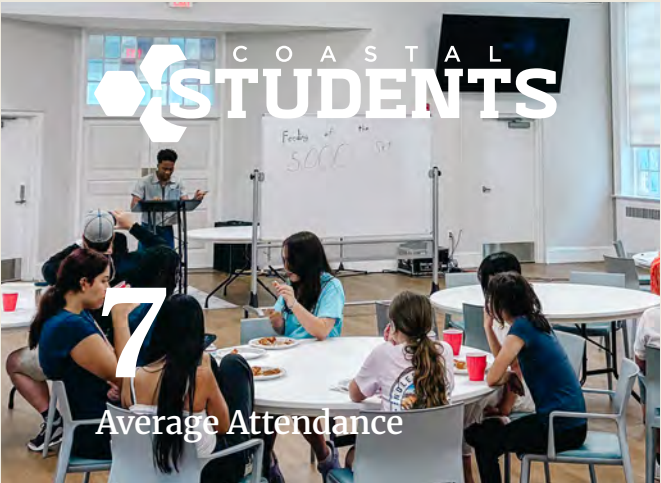

Gene Cornett, Lead Pastor

We have been amazed at God’s grace here at the Bethany Campus in 2025. This has been a year of discipleship in our church body. We celebrated God’s transforming work in the lives of three believers who were baptized this year. We also experienced

vibrant growth among our young adults, and our new Coastal Young Adults ministry began in a living room overflowing with 12 young adults worshipping the Lord together. In our community, we have been regularly serving our local middle school and have been asked twice to attend school events to invite students and their families to the church. Finally, we have launched (and fully funded) our new outreach ministry, called Coastal Cares. With this ministry, we aim to use the resources God has given us to meet real needs in the community and introduce our

community to Jesus Christ, who is the bread of life. Thank you for your continued prayer and partnership. We look forward with excitement to where the Lord will lead us in 2026.

CHESAPEAKE NEWS

2025 Annual Report

Andrew Segre, Lead Pastor

Celebrating 4 Years of Coastal Church Chesapeake. As we close out 2025, we are deeply grateful for God’s faithfulness as we celebrate four years of Coastal Church Chesapeake. This year was marked by powerful moments of life change, growth, and gospel impact. We celebrated seven baptisms, each representing a transformed life through Jesus. One story captures the heart of our mission:

a father who attended our Christmas Eve service in 2024 gave his life to Christ, was baptized on Easter this year, and in 2025 had the joy of baptizing his own son after his son surrendered his life to Jesus. Our Sunday gatherings have increased by 23% this year. Both Coastal Kids and Student ministries have seen an increase as well. We saw our largest Christmas Eve with 422 people coming and several committing their lives to Jesus. Coastal Chesapeake’s impact reaches beyond our campus. Members participated in mission trips to Honduras and Poland, and we led our first campus mission trip to Kenya, partnering with Project Lucas (a gospel-centered ministry and school). Seventeen members served by setting up a computer

lab, training teachers in Gospel-Centered Life discipleship tool, and we were able to share the Gospel with over 1,000 students across schools in the region. Locally, our ECHO Foster Family Coat Drive exceeded expectations. With an initial goal of 80 coats, the church collected 144 coats, blessing foster families and supporting a local missionary serving through Apartment Life. Most inspiring, 75% of our church family actively serves in ministry, reflecting a shared commitment to developing authentic followers of Jesus Christ. As we enter year five, we look ahead with faith and expectation—the best is yet to come. To God be the glory!

GLOUCESTER NEWS

2025 Annual Report

Nate Weis, Lead Pastor

God has truly blessed Coastal Gloucester in 2025. We saw growth in attendance, having over 600 regularly. Over 30 people made public professions of faith in Jesus through baptism. We have over 25 small groups growing together in community.

Our ministries have seen growth in both attendance and in volunteers serving. We have raised up new deacons and elders through leadership development. We took a team from our campus to Jordan to partner with local churches there in sharing the gospel and being the hands and feet of Christ.

But perhaps the most exciting part of 2025 for us was the opportunity to plant a campus. In July, God opened the door for us to begin a relationship with Peniel Evangelical Friends Church in Mathews. This church has faithfully preached the gospel for

over 100 years, and voted unanimously to become a part of Coastal. On Christmas Eve, nearly 150 people worshiped Christ in Coastal Mathews. By God's grace, Coastal Gloucester is now a campus-planting campus! We give all glory to God and cannot wait to see how God blesses us in 2026.

HAMPTON NEWS

2025 Annual Report

David Wilson, Lead Pastor

God blessed our year at Hampton as we solidified our ministry and prepared for what He has in store for next year. We have had some staffing changes throughout the year. Timothy Martin began as a pastoral resident at Hampton in August and Leslie Youtsey took on the position of Coastal

Kids Coordinator in September. We also had a new volunteer Student Ministry Coordinator restart our Student Ministry in September. We are excited to see the progress already being made in these areas. Our attendance has moved to an average of 150 throughout the fall months, and small group attendance has grown as well. We have enjoyed the privilege of seeing 6 people baptized in 2025, and we have several more preparing to pursue this step in the spring. Building renovations have been significant in 2025: New, expanded entrance, additional security for children's space, stage completely

renovated, new permanent sound installation, new high-efficiency windows installed in the auditorium, new roof and gutters, plans are underway to address our parking lot. The biggest change at Hampton in 2025 was a change in leadership. On December 7, Pastor Tito Tirado was installed as the Lead Pastor in Hampton. On that Sunday, we had our highest attendance ever with 242. On the 14th, the Hampton family sent out the Wilsons to our next assignment as Associate Pastor in Gloucester. We are excited about what God is doing in Hampton and look forward to what He has in store for 2026!

WILLIAMSBURG NEWS

2025 Annual Report

Colin Curtis, Lead Pastor

When I think of a word to describe the last twelve months in Williamsburg, the word “establishing” comes to mind. This past year has been a year of settling in, foundation-laying, and establishing good, healthy, gospel growth. We are no

longer a new church-plant style campus, but rather a young church that’s building real roots in our community. We’ve established a deacon ministry, seen small groups multiply, baptized more people in the last 4 months than we did in the first 24 months (glory to God!) and are working towards a permanent home for our church family at the Williamsburg Pottery.

In the year ahead, we’re hoping to install more elders, bring on another full-time pastoral staff hire (looking at you, Coastal Students!) and break ground on our new worship facility - all

for the name and fame of Jesus Christ. Church family, thank you for all that you do in the service of that name!

YORKTOWN NEWS

2025 Annual Report

Tim Marshall, Executive Director
of Adult Ministries

God blessed Coastal Yorktown beyond telling in 2025. Our weekly worship services have continued to grow at a steady rate, culminating in a Christmas Eve attendance of over 2,500 souls. And with the steady growth, God has provided a steady influx of new members willing and faithful to serve across every area of ministry. For instance, on any given Sunday at

Yorktown we minister the gospel to about 400 Coastal kids through the faithful work of well over 100 volunteers and leaders - a ratio of better than one volunteer for every four children. Our off-campus ministry and missions have also continued to grow and accelerate as we've delivered the gospel locally and to the ends of the earth through several devoted and well-prepared mission teams. In addition to sustained support of in-house and local mission projects, like our monthly food and rescue mission ministries, our people have taken the gospel this year to many countries in Europe, Asia, Africa, South and Central America. And back on the home front, we held several successful We Are Coastal events and a large

percentage of those who came chose to complete our membership process join our fellowship and become authentic followers of Jesus Christ. We've added several new deacons and elders to help lead and shepherd the work of the ministry across every area of our campus life. In October we hosted a 3-day all Coastal Leadership Retreat for more than 75 leaders and staffers for vision casting, meals together, critical workshops, and even some campus fun. And finally, our Yorktown based Shared Services groups provided countless critical operations and ministry support activities across all of our campuses, including major facility renovation at our newest site in Mathews! To God be the glory, great things He has done!
