Melissa O'Donnell Workshops List 2027

1. **Tuscany Creative Retreat 2027 Dates: May 8-15th** my first workshop abroad and I think it will be a lot of fun, combining yoga & art for an all inclusive 7 day Creative Retreat.
This includes daily yoga sessions with Elaine and myself leading art tutorials, relaxed sketching & watercolours studies from the beautiful surroundings. Also, planned group trips, shared meals and great conversations!
Flyer attached and I'll forward another email (Elaine yoga waves) with details, just reach out if you have any questions at all. I believe there are still a couple of shared rooms left but can accommodate prefs no problem.
