

A1M Solutions is a SBA-certified, women-owned small business (WOSB) supporting government programs that promote better health outcomes. We bring deep domain knowledge and technical excellence, as well as a commitment to continuous learning and improvement. Authenticity, integrity, and empathy ground everything we do.

Past performance

Centers for Medicaid and Medicare Services

Policy implementation, business automation and operational efficiency, custom and off-the-shelf technology delivery, and capacity building.

Department of Treasury, Office of Payment Integrity

Strategic communications, outreach strategy, and engagement support for the detection and prevention of improper payments and fraud in federal programs.

CA Department of Health Care Services

Technical assistance in data collection, management, sharing, and use for providers enrolling in California Advancing and Innovating Medi-Cal (CalAIM)

Corporate information

A1M is proudly based in Chico, California, which is located on Mechoopda and Konkow Maidu land. A remote-first company, our 40-plus employees are distributed across 13 states.
