## Post-Mix Ice Drink Dispenser

IDC255

Specification Sheet

## Features

### Efficient

Improves service efficiency and speed by creating a standard lid-dispense height with bottom dispense design

### Ergonomic

New lid dispenser and large capacity straw holder feature no moving parts and an ergonomic design that is easy to access, remove, and clean

### Comfort

Increases comfort and reduces workplace injuries with an ergonomically-designed center-mounted control panel, and larger, more durable buttons

### New Prism Valve

Three brands + one water

### Easy-to-Use

Capacitive touch panel

### Portion Control

Improved ice portion control system with redesigned pro fast gate, LED feedback, and easy entry/exit from program mode

### Easy Access

To valves and other components

### Large ice capacity

255 lb. ice capacity

### Increased serviceability

Requires only one electrical outlet, easy front access to carbonator tank, simple motor removal

### Total Flex™

Manifold easily changes from carbonated to non-carbonated
