

IDC255 Pro Fast Gate™ Drive-thru Post Mix Ice Drink Dispenser

**Built for
Speed.
Exceptional
Drink Quality.**

Features

Faster and convenient crew operation

Ergonomic lid and straw dispensers improve access and reduce strain

Accurate ice control

Durable, center-mounted panel dispenses the right amount of ice based on cup size

Smart drink dispensing

OptiFill valves auto-detect cup size for perfect pours

More brands, same space

Add up to 3 Prism Valves. Each serve 3 brands + water using the space of a single valve

Less mess, more efficiency

Larger drip tray reduces spillage and cleanup

Cold-carbonation. Bottle-quality drinks

Built-in cold carbonator delivers crisp, refreshing beverages, every time

High ice capacity

255 lb. storage keeps up with peak demand

Flexible Ice Maker compatibility

Universal ice maker adapter kit included with the unit

Streamline service

One electrical outlet, front carbonator access, and simple motor removal

Drink-type flexibility

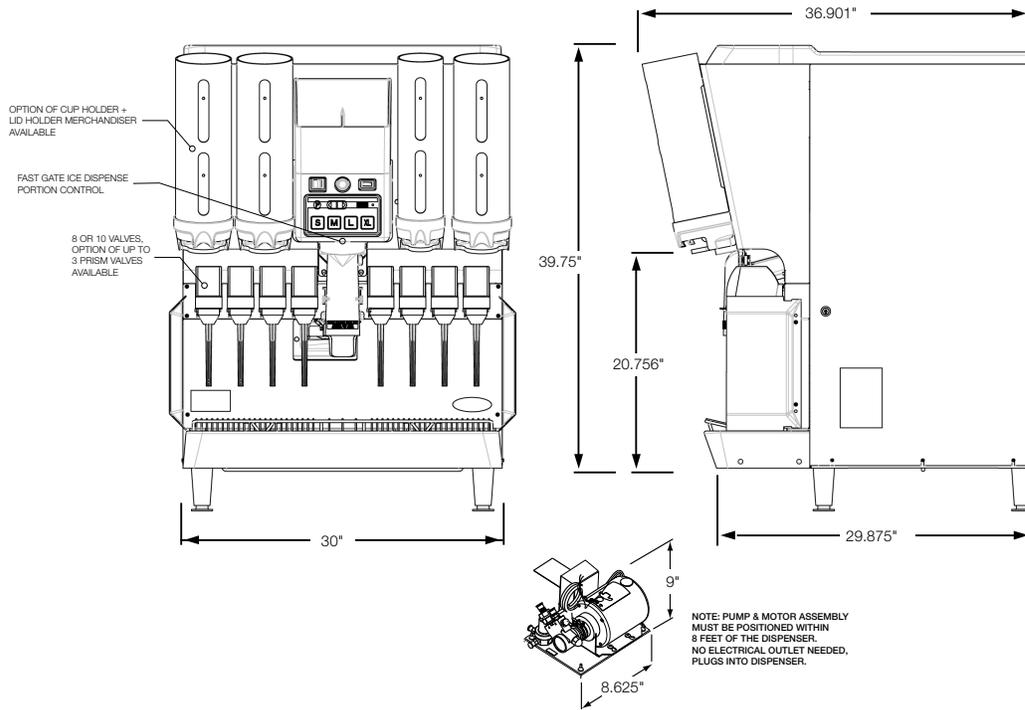

TotalFlex manifold allows quick switch between carbonated and non-carbonated water
