

IDC255 PRO FAST GATE™

POST-MIX ICE DRINK DISPENSER

FEATURES

Efficient - Improves service efficiency and speed by creating a standard lid-dispense height with bottom dispense design

Ergonomic - New lid dispenser and large capacity straw holder feature no moving parts and an ergonomic design that is easy to access, remove, and clean.

Comfort - Increases comfort and reduces workplace injuries with an ergonomically-designed center-mounted control panel, and larger, more durable buttons

Portion Control - Improved ice portion control system with redesigned pro fast gate, LED feedback, and easy entry/exit from program mode

Easy access - to valves and other components

Large ice capacity - 255 lb. ice capacity

Increased serviceability -

- Requires only 1 electrical outlet

- Easy front access to carbonator tank

- Simple motor removal

Total Flex™ - manifold easily changes from carbonated to non-carbonated
