## Marking a Brand as “Sold Out”

**Note:** This function will allow you to mark a brand as “sold out” while keeping the syrup brand icon displayed on the home screen coverflow.

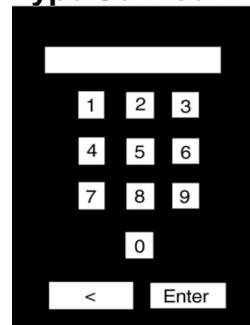

Syrups and flavor shots must be mapped through the Brand Mapping screen prior to using the Sold Out function.

### Access Service Screen

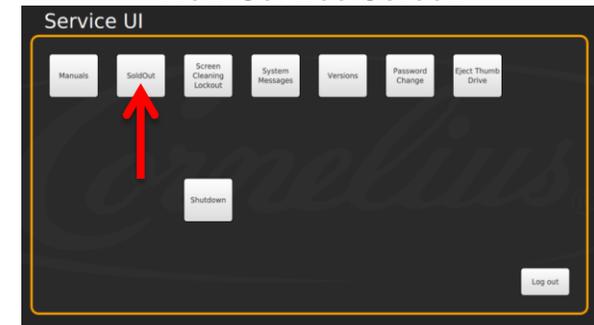

Tap each corner of the merchandiser screen in a counterclockwise direction, starting in the upper right corner to form a “C.”

### Type Service Pin

Type in your passcode to access the Service menu. The default passcode to access the entire service menu is “1111” which will be yours unless you have changed it.

### View Service Screen

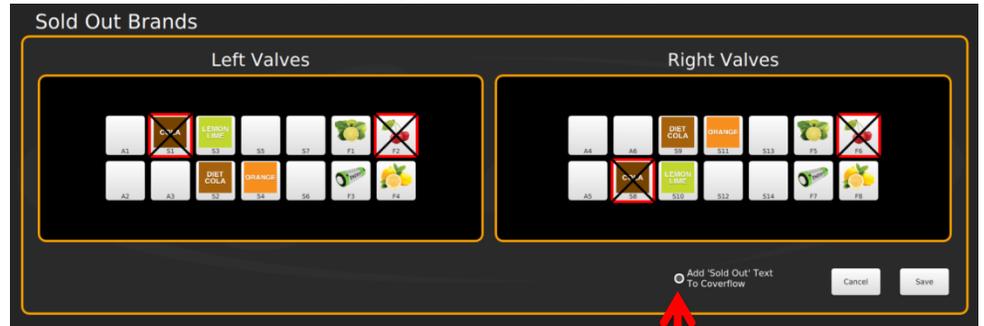

Select the “**Sold Out**” symbol.

## Sold Out Brands Screen

Select a brand or flavor shot icon in the “Sold Out Brands” screen to mark them as “sold out” on the home screen coverflow.

## Sold Out Brands Screen

The photo above shows how a brand will look in the “Sold Out Brands” screen after selecting as “sold out,” While the photo below shows how the sold out brands will look on the home screen coverflow.

You have the option to display the black “Sold Out” text below the crossed out symbol on the home screen coverflow by selecting the “Add ‘Sold Out’ Text to Coverflow” circle.

Select “**Save**” once you have made your changes.
