INSTALLATION INSTRUCTIONS

MERCHANDISER REFLECTOR EXTENSION KIT (P/N 629086401)

FOR

ED300 LIGHTED INTEGRATED MERCHANDISER (P/N 629082605)

The purpose of this kit is to eliminate the dark "line" at the center of the graphics. Retain these instructions as part of your equipment manual.

Table 1. Loose-Shipped Parts

Item No.	Part No.	Name	Qty.
1	620033902	Reflector Extension	1
2	620915401	Installation Instructions	1

WARNING: Disconnect electrical power to both the Dispenser and the Lighted Merchandiser before proceeding to install this Kit.

KIT INSTALLATION

1. Remove the clear plastic access cover on the merchandiser
2. Remove the graphics and the plastic lens panels.
3. With both the merchandiser electric box/reflector (four bulbs) and the dispenser electrical control box/reflector (two bulbs) exposed, clean the merchandiser reflector bottom flange where the extension is to be located.
4. Remove the protective tape backing from the reflector extension (item No. 1) and secure to the reflector bottom flange as shown in Figure 1. **NOTE: If there is any interference with the extension, the reflector may be adjusted.**
5. Replace the graphics and the plastic lens. "Snap" the access cover in place on the merchandiser.
6. Reconnect the dispenser and the lighted merchandiser to the electrical power supply.
