

INSTALLATION INSTRUCTIONS

ED300 INTEGRATED LIGHTED MERCHANDISER KIT REMOVAL AND REPLACEMENT

WARNING:

Disconnect power to the unit before servicing. Follow all lock out/tag out procedures established by the user. Verify all power is off to the unit before performing any work.

Failure to comply could result in serious injury, death or damage to the equipment.

1. Remove integrated merchandiser assembly from the dispenser cabinet and discard. Keep the florescent bulbs for reuse. (See Figure 1.)

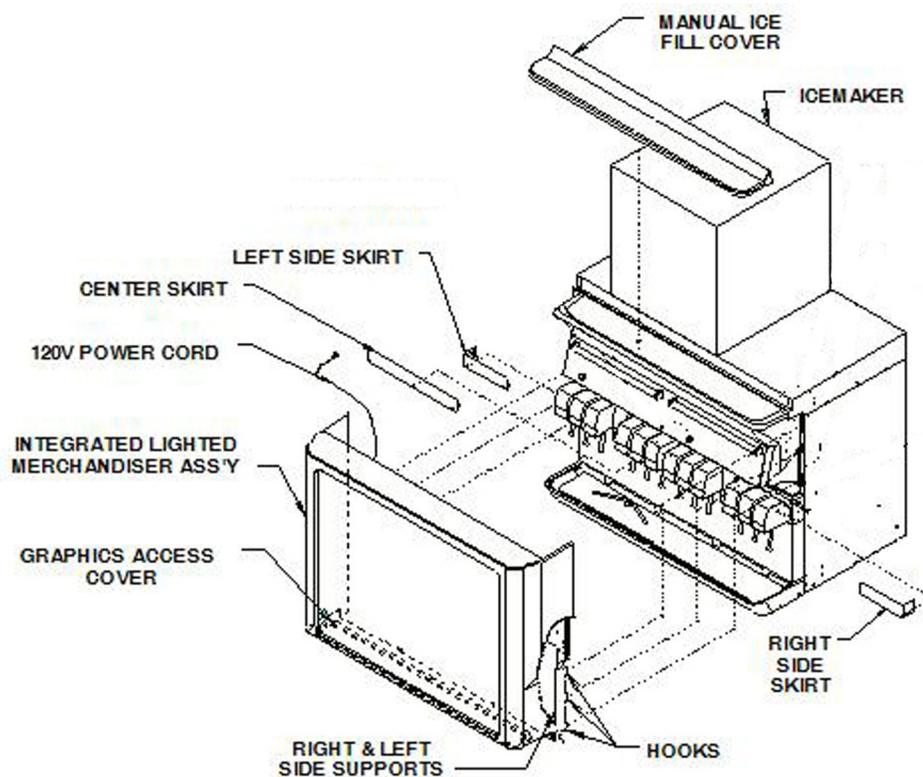

Figure 1.

NOTE: It may be necessary to remove the beverage valves to remove the skirts. Remove only the valve covers and valve bodies. **DO NOT** remove the valve blocks secured to the valve panel or leaks may occur.

2. Install the merchandiser.

CAUTION:

Make sure the hooks on both sides of the main supports are fully seated in their corresponding cabinet slots.

3. Reinstall the florescent bulbs.
4. Install the ice fill cover on the dispenser. (See Figure 2.)
