

ICE MAKER ADAPTER LANYARD ATTACHMENT

SAFETY INSTRUCTIONS

**WARNING:**

Before starting installation, read and understand all safety label and warnings on the machine. Also review and understand all safety instructions in the owners, installation and service manuals.

Failure to comply could result in serious injury, death or damage to the equipment.

QUALIFIED SERVICE PERSONNEL

**WARNING:**

Only trained and certified electrical, plumbing and refrigeration technicians should service this unit.

All wiring and plumbing must conform to national and local codes. Failure to comply could result in serious injury, death or equipment damage.

SAFETY PRECAUTIONS

This unit has been specifically designed to provide protection against personal injury. To ensure continued protection observe the following:

**WARNING:**

Disconnect power to the unit before servicing. Follow all lock out/tag out procedures established by the user. Verify all power is off to the unit before performing any work.

Failure to comply could result in serious injury, death or damage to the equipment.

**CAUTION:**

Always be sure to keep area around the unit clean and free of clutter.

Failure to keep this area clean may result in injury or equipment damage.

INSTALLATION INSTRUCTIONS

WARNING:

Failure to secure the lanyards to the dispenser may result in serious injury or equipment damage.

1. Drill 2 holes, one on each side on the sheet metal lid of the Ice maker adapter kit, see Figure 1. See Figure 2 for dimensions.

Figure 1.

Figure 2.

2. Use the screws and nuts supplied in the kit to secure the lanyard & cover assembly to the Sheet metal lid on both the sides, as shown in Figure 3.

NOTE: Lanyard eye goes on the back side of the sheet metal.

Figure 3.
